190.002 Legislative findings, policies, and intent.-

(1) The Legislature finds that:

(a) There is a need for uniform, focused, and fair procedures in state law to provide a reasonable alternative for the establishment, power, operation, and duration of independent districts to manage and finance basic community development services; and that, based upon a proper and fair determination of applicable facts, an independent district can constitute a timely, efficient, effective, responsive, and economic way to deliver these basic services, thereby providing a solution to the state's planning, management, and financing needs for delivery of capital infrastructure in order to service projected growth without overburdening other governments and their taxpayers.

(b) It is in the public interest that any independent special district created pursuant to state law not outlive its usefulness and that the operation of such a district and the exercise by the district of its powers be consistent with applicable due process, disclosure, accountability, ethics, and government-in-the-sunshine requirements which apply both to governmental entities and to their elected and appointed officials.

(c) It is in the public interest that long-range planning, management, and financing and long-term maintenance, upkeep, and operation of basic services for community development districts be under one coordinated entity.

(2) It is the policy of this state:

(a) That the needless and indiscriminate proliferation, duplication, and fragmentation of local general-purpose government services by independent districts is not in the public interest.

(b) That independent districts are a legitimate alternative method available for use by the private and public sectors, as authorized by state law, to manage and finance basic services for community developments.

(c) That the exercise by any independent district of its powers as set forth by uniform general law comply with all applicable governmental laws, rules, regulations, and policies governing planning and permitting of the development to be serviced by the district, to ensure that neither the establishment nor operation of such district is a development order under chapter 380 and that the district so established does not have any zoning or permitting powers governing development.

(d) That the process of establishing such a district pursuant to uniform general law be fair and based only on factors material to managing and financing the service delivery function of the district, so that any matter concerning permitting or planning of the development is not material or relevant.

(3) It is the legislative intent and purpose, based upon, and consistent with, its findings of fact and declarations of policy, to authorize a uniform procedure by general law to establish an independent special district as an alternative method to manage and finance basic services for community development. It is further the legislative intent and purpose to provide by general law for the uniform operation, exercise of power, and procedure for termination of any such independent district. It is further the purpose and intent of the Legislature that a district created under this chapter not have or exercise any zoning or development permitting power, that the establishment of the independent community development district as provided in this act not be a development order within the meaning of chapter 380, and that all applicable planning and permitting laws, rules, regulations, and policies control the development of the land to be serviced by the district. It is further the purpose and intent

of the Legislature that no debt or obligation of a district constitute a burden on any local general-purpose government without its consent.

190.004 Preemption; sole authority.-

(1) This act constitutes the sole authorization for the future establishment of independent community development districts which have any of the specialized functions and powers provided by this act.

(2) The adoption of chapter 84-360, Laws of Florida, does not affect the validity of the establishment of any community development district or other special district existing on June 29, 1984; and existing community development districts will be subject to the provisions of chapter 190, as amended. All actions taken prior to July 1, 2000, by a community development district existing on June 29, 1984, if taken pursuant to the authority contained in chapter 80-407, Laws of Florida, or this chapter are hereby deemed to have adequate statutory authority. Nothing herein shall affect the validity of any outstanding indebtedness of a community development district established prior to June 29, 1984, and such district is hereby authorized to continue to comply with all terms and requirements of trust indentures or loan agreements relating to such outstanding indebtedness.

(3) The establishment of an independent community development district as provided in this act is not a development order within the meaning of chapter 380. All governmental planning, environmental, and land development laws, regulations, and ordinances apply to all development of the land within a community development district. Community development districts do not have the power of a local government to adopt a comprehensive plan, building code, or land development code, as those terms are defined in the Community Planning Act. A district shall take no action which is inconsistent with applicable comprehensive plans, ordinances, or regulations of the applicable local general-purpose government.

(4) The exclusive charter for a community development district shall be the uniform community development district charter as set forth in ss. 190.006-190.041, including the special powers provided by s. 190.012.

(1) The exclusive and uniform method for the establishment of a community development district with a size of 2,500 acres or more shall be pursuant to a rule, adopted under chapter 120 by the Florida Land and Water Adjudicatory Commission, granting a petition for the establishment of a community development district.

(a) A petition for the establishment of a community development district shall be filed by the petitioner with the Florida Land and Water Adjudicatory Commission. The petition shall contain:

1. A metes and bounds description of the external boundaries of the district. Any real property within the external boundaries of the district which is to be excluded from the district shall be specifically described, and the last known address of all owners of such real property shall be listed. The petition shall also address the impact of the proposed district on any real property within the external boundaries of the district which is to be excluded from the district.

2. The written consent to the establishment of the district by all landowners whose real property is to be included in the district or documentation demonstrating that the petitioner has control by deed, trust agreement, contract, or option of 100 percent of the real property to be included in the district, and when real property to be included in the district is owned by a governmental entity and subject to a ground lease as described in s.

190.003(14), the written consent by such governmental entity.

3. A designation of five persons to be the initial members of the board of supervisors, who shall serve in that office until replaced by elected members as provided in s. 190.006.

4. The proposed name of the district.

7. A designation of the future general distribution, location, and extent of public and private uses of land proposed for the area within the district by the future land use plan element of the effective local government comprehensive plan of which all mandatory elements have been adopted by the applicable general-purpose local government in compliance with the Community Planning Act.

8. A statement of estimated regulatory costs in accordance with the requirements of s. 120.541.

(b) Prior to filing the petition, the petitioner shall:

1. Pay a filing fee of \$15,000 to the county, if located within an unincorporated area, or to the municipality, if located within an incorporated area, and to each municipality the boundaries of which are contiguous with, or contain all or a portion of the land within, the external boundaries of the district.

2. Submit a copy of the petition to the county, if located within an unincorporated area, or to the municipality, if located within an incorporated area, and to each municipality the boundaries of which are contiguous with, or contain all or a portion of, the land within the external boundaries of the district.

3. If land to be included within a district is located partially within the unincorporated area of one or more counties and partially within a municipality or within two or more municipalities, pay a \$15,000 filing fee to each entity. Districts established across county boundaries shall be required to maintain records, hold meetings and hearings, and publish notices only in the county where the majority of the acreage within the district lies.

(c) Such county and each such municipality required by law to receive a petition may conduct a public hearing to consider the relationship of the petition to the factors specified in paragraph (e). The public hearing shall be concluded within 45 days after the date the petition is filed unless an extension of time is requested by the petitioner and granted by the county or municipality. The county or municipality holding such public hearing may by resolution express its support of, or objection to the granting of, the petition by the Florida Land and Water Adjudicatory Commission. A resolution must base any objection to the granting of the petition upon the factors specified in paragraph (e). Such county or municipality may present its resolution of support or objection at the Florida Land and Water Adjudicatory Commission hearing and shall be afforded an opportunity to present relevant information in support of its resolution.

(d) A local public hearing on the petition shall be conducted by a hearing officer in conformance with the applicable requirements and procedures of the Administrative Procedure Act. The hearing shall include oral and written comments on the petition pertinent to the factors specified in paragraph (e). The hearing shall be held at an accessible location in the county in which the community development district is to be located. The petitioner shall cause a notice of the hearing to be published for 4 successive weeks on a publicly accessible website as provided in s. 50.0311 or, if published in print, in a newspaper at least once a week for the 4 successive weeks immediately prior to the hearing as provided in chapter 50. Such notice shall give the time and place for the hearing, a description of the area to be included in the district, which description shall include a map showing clearly the area to be covered by the district, and any other relevant information which the establishing governing bodies may require. If published in the print edition of a newspaper, the advertisement may not be placed in the portion of the newspaper where legal notices and classified advertisements appear. The advertisement must be

published in a newspaper in the county and of general interest and readership in the community pursuant to chapter 50. Whenever possible, the advertisement shall appear in a newspaper that is published at least weekly, unless the only newspaper in the community is published less than weekly. If the notice is published in the print edition of the newspaper, the map must also be included in any online advertisement pursuant to s. 50.0211. All affected units of general-purpose local government and the general public shall be given an opportunity to appear at the hearing and present oral or written comments on the petition.

(e) The Florida Land and Water Adjudicatory Commission shall consider the entire record of the local hearing, the transcript of the hearing, resolutions adopted by local general-purpose governments as provided in paragraph (c), and the following factors and make a determination to grant or deny a petition for the establishment of a community development district:

1. Whether all statements contained within the petition have been found to be true and correct.

2. Whether the establishment of the district is inconsistent with any applicable element or portion of the state comprehensive plan or of the effective local government comprehensive plan.

3. Whether the area of land within the proposed district is of sufficient size, is sufficiently compact, and is sufficiently contiguous to be developable as one functional interrelated community.

4. Whether the district is the best alternative available for delivering community development services and facilities to the area that will be served by the district.

5. Whether the community development services and facilities of the district will be incompatible with the capacity and uses of existing local and regional community development services and facilities.

6. Whether the area that will be served by the district is amenable to separate special-district government.

(f) The Florida Land and Water Adjudicatory Commission shall not adopt any rule which would expand, modify, or delete any provision of the uniform community development district charter as set forth in ss. 190.006-190.041, except as provided in s. 190.012. A rule establishing a community development district shall only contain the following:

1. A metes and bounds description of the external boundaries of the district and any real property within the external boundaries of the district which is to be excluded.

2. The names of five persons designated to be the initial members of the board of supervisors.

3. The name of the district.

(g) The Florida Land and Water Adjudicatory Commission may adopt rules setting forth its procedures for considering petitions to establish, expand, modify, or delete uniform community development districts or portions thereof consistent with the provisions of this section.

(2) The exclusive and uniform method for the establishment of a community development district of less than 2,500 acres in size or a community development district of up to 7,000 acres in size located within a connectedcity corridor established pursuant to s. 163.3246(13) shall be pursuant to an ordinance adopted by the county commission of the county having jurisdiction over the majority of land in the area in which the district is to be located granting a petition for the establishment of a community development district as follows:

(a) A petition for the establishment of a community development district shall be filed by the petitioner with the county commission. The petition shall contain the same information as required in paragraph (1)(a).

(b) A public hearing on the petition shall be conducted by the county commission in accordance with the requirements and procedures of paragraph (1)(d).

(c) The county commission shall consider the record of the public hearing and the factors set forth in paragraph (1)(e) in making its determination to grant or deny a petition for the establishment of a community development district.

(d) The county commission may not adopt any ordinance which would expand, modify, or delete any provision of the uniform community development district charter as set forth in ss. 190.006-190.041. An ordinance establishing

a community development district shall only include the matters provided for in paragraph (1)(f) unless the commission consents to any of the optional powers under s. 190.012(2) at the request of the petitioner.

(e) If all of the land in the area for the proposed district is within the territorial jurisdiction of a municipal corporation, then the petition requesting establishment of a community development district under this act shall be filed by the petitioner with that particular municipal corporation. In such event, the duties of the county, hereinabove described, in action upon the petition shall be the duties of the municipal corporation. If any of the land area of a proposed district is within the land area of a municipality, the county commission may not create the district without municipal approval. If all of the land in the area for the proposed district, even if less than 2,500 acres, is within the territorial jurisdiction of two or more municipalities or two or more counties, except for proposed districts within a connected-city corridor established pursuant to s. 163.3246(13), the petition shall be filed with the Florida Land and Water Adjudicatory Commission and proceed in accordance with subsection (1).

(f) Notwithstanding any other provision of this subsection, within 90 days after a petition for the establishment of a community development district has been filed pursuant to this subsection, the governing body of the county or municipal corporation may transfer the petition to the Florida Land and Water Adjudicatory Commission, which shall make the determination to grant or deny the petition as provided in subsection (1). A county or municipal corporation shall have no right or power to grant or deny a petition that has been transferred to the Florida Land and Water Adjudicatory Commission.

(3) The governing body of any existing special district, created to provide one or more of the public improvements and community facilities authorized by this act, may petition for reestablishment of the existing district as a community development district pursuant to this act. The petition shall contain the information specified in subparagraphs (1)(a)1., 3., 4., 5., 6., and 7. and shall not require payment of a fee pursuant to paragraph (1)(b). In such case, the new district so formed shall assume the existing obligations, indebtedness, and guarantees of indebtedness of the district so subsumed, and the existing district shall be terminated.

190.006 Board of supervisors; members and meetings.-

(1) The board of the district shall exercise the powers granted to the district pursuant to this act. The board shall consist of five members; except as otherwise provided herein, each member shall hold office for a term of 2 years or 4 years, as provided in this section, and until a successor is chosen and qualifies. The members of the board must be residents of the state and citizens of the United States.

(2)(a) Within 90 days following the effective date of the rule or ordinance establishing the district, there shall be held a meeting of the landowners of the district for the purpose of electing five supervisors for the district. Notice of the landowners' meeting shall be published once a week for 2 consecutive weeks in a newspaper which is in general circulation in the area of the district, the last day of such publication to be not fewer than 14 days or more than 28 days before the date of the election. The landowners, when assembled at such meeting, shall organize by electing a chair who shall conduct the meeting. The chair may be any person present at the meeting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions.

(b) At such meeting, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the district for each person to be elected. A landowner may vote in person or by proxy in writing. Each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property, or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The

signature on a proxy need not be notarized. A fraction of an acre shall be treated as 1 acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. The acreage of platted lots shall not be aggregated for determining the number of voting units held by a landowner or a landowner's proxy. The two candidates receiving the highest number of votes shall be elected for a period of 4 years, and the three candidates receiving the next largest number of votes shall be elected for a period of 2 years, with the term of office for each successful candidate commencing upon election. The members of the first board elected by landowners shall serve their respective 4-year or 2-year terms; however, the next election by landowners shall be held on the first Tuesday in November. Thereafter, there shall be an election of supervisors for the district every 2 years in November on a date established by the board and noticed pursuant to paragraph (a). The second and subsequent landowners' meeting and shall also be noticed pursuant to paragraph (a). Instructions on how all landowners may participate in the election, along with sample proxies, shall be provided during the board meeting that announces the landowners' meeting. The two candidates receiving the highest number of votes shall be elected shall serve for a 2-year period.

(3)(a)1. If the board proposes to exercise the ad valorem taxing power authorized by s. 190.021, the district board shall call an election at which the members of the board of supervisors will be elected. Such election shall be held in conjunction with a primary or general election unless the district bears the cost of a special election. Each member shall be elected by the qualified electors of the district for a term of 4 years, except that, at the first such election, three members shall be elected for a period of 4 years and two members shall be elected for a period of 2 years. All elected board members must be qualified electors of the district.

2.a. Regardless of whether a district has proposed to levy ad valorem taxes, commencing 6 years after the initial appointment of members or, for a district exceeding 5,000 acres in area or for a compact, urban, mixed-use district, 10 years after the initial appointment of members, the position of each member whose term has expired shall be filled by a qualified elector of the district, elected by the qualified electors of the district. However, for those districts established after June 21, 1991, and for those existing districts established after December 31, 1983, which have less than 50 qualified electors on June 21, 1991, sub-subparagraphs b. and d. shall apply. If, in the 6th year after the initial appointment of members, or 10 years after such initial appointment for districts exceeding 5,000 acres in area or for a compact, urban, mixed-use district, there are not at least 250 qualified electors, members of the board shall continue to be elected by landowners.

b. After the 6th or 10th year, once a district reaches 250 or 500 qualified electors, respectively, then the positions of two board members whose terms are expiring shall be filled by qualified electors of the district, elected by the qualified electors of the district for 4-year terms. The remaining board member whose term is expiring shall be elected for a 4-year term by the landowners and is not required to be a qualified elector. Thereafter, as terms expire, board members shall be qualified electors elected by qualified electors of the district for a term of 4 years.

c. Once a district qualifies to have any of its board members elected by the qualified electors of the district, the initial and all subsequent elections by the qualified electors of the district shall be held at the general election in November. The board shall adopt a resolution if necessary to implement this requirement when the board determines the number of qualified electors as required by sub-subparagraph d., to extend or reduce the terms of current board members.

d. On or before June 1 of each year, the board shall determine the number of qualified electors in the district as of the immediately preceding April 15. The board shall use and rely upon the official records maintained by the supervisor of elections and property appraiser or tax collector in each county in making this determination. Such

determination shall be made at a properly noticed meeting of the board and shall become a part of the official minutes of the district.

(b) Elections of board members by qualified electors held pursuant to this subsection shall be nonpartisan and shall be conducted in the manner prescribed by law for holding general elections. The district shall publish a notice of the qualifying period set by the supervisor of elections for each election at least 2 weeks prior to the start of the qualifying period. Board members shall assume the office on the second Tuesday following their election. If no elector qualifies for a seat to be filled in an election, a vacancy in that seat shall be declared by the board effective on the second Tuesday following the election. Within 90 days thereafter, the board shall appoint a qualified elector to fill the vacancy. Until such appointment, the incumbent board member in that seat shall remain in office.

(c) Candidates seeking election to office by qualified electors under this subsection shall conduct their campaigns in accordance with the provisions of chapter 106 and shall file qualifying papers and qualify for individual seats in accordance with s. 99.061.

(d) The supervisor of elections shall appoint the inspectors and clerks of elections, prepare and furnish the ballots, designate polling places, and canvass the returns of the election of board members by qualified electors. The county canvassing board shall declare and certify the results of the election.

(4) Members of the board shall be known as supervisors and, upon entering into office, shall take and subscribe to the oath of office as prescribed by s. 876.05. They shall hold office for the terms for which they were elected or appointed and until their successors are chosen and qualified. If, during the term of office, a vacancy occurs, the remaining members of the board shall fill the vacancy by an appointment for the remainder of the unexpired term.

(5) A majority of the members of the board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the district shall be upon a vote of a majority of the members present unless general law or a rule of the district requires a greater number.

(6) As soon as practicable after each election or appointment, the board shall organize by electing one of its members as chair and by electing a secretary, who need not be a member of the board, and such other officers as the board may deem necessary.

(7) The board shall keep a permanent record book entitled "Record of Proceedings of <u>(name of district)</u> Community Development District," in which shall be recorded minutes of all meetings, resolutions, proceedings, certificates, bonds given by all employees, and any and all corporate acts. The record book shall at reasonable times be opened to inspection in the same manner as state, county, and municipal records pursuant to chapter 119. The record book shall be kept at the office or other regular place of business maintained by the board in the county or municipality in which the district is located or within the boundaries of a development of regional impact or Florida Quality Development, or combination of a development of regional impact and Florida Quality Development, which includes the district.

(8) Each supervisor shall be entitled to receive for his or her services an amount not to exceed \$200 per meeting of the board of supervisors, not to exceed \$4,800 per year per supervisor, or an amount established by the electors at referendum. In addition, each supervisor shall receive travel and per diem expenses as set forth in s. 112.061.

(9) All meetings of the board shall be open to the public and governed by the provisions of chapter 286. of any effluent, residue, or other byproducts of such system or sewer system.

(c) Bridges or culverts that may be needed across any drain, ditch, canal, floodway, holding basin, excavation, public highway, tract, grade, fill, or cut and roadways over levees and embankments, and to construct any and all of such works and improvements across, through, or over any public right-of-way, highway, grade, fill, or cut.

(d)1. District roads equal to or exceeding the applicable specifications of the county in which such district roads are located; roads and improvements to existing public roads that are owned by or conveyed to the local general-purpose government, the state, or the Federal Government; street lights; alleys; landscaping; hardscaping; and the undergrounding of electric utility lines. Districts may request the underground placement of utility lines by the local retail electric utility provider in accordance with the utility's tariff on file with the Public Service Commission and may finance the required contribution.

2. Buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage.

(g) Any other project within or without the boundaries of a district when a local government issued a development order pursuant to s. 380.06 approving or expressly requiring the construction or funding of the project by the district, or when the project is the subject of an agreement between the district and a governmental entity and is consistent with the local government comprehensive plan of the local government within which the project is to be located.

(h) Any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the district.

(2) After the local general-purpose government within the jurisdiction of which a power specified in this subsection is to be exercised consents to the exercise of such power by the district, the district shall have the power to plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain additional systems and facilities for:

However, this paragraph does not prohibit a district from contracting with a towing operator to remove a vehicle or vessel from a district-owned facility or property if the district follows the authorization and notice and procedural requirements in s. 715.07 for an owner or lessee of private property. The district's selection of a towing operator is not subject to public bidding if the towing operator is included in an approved list of towing operators maintained by the local government that has jurisdiction over the district's facility or property.

(e) Control and elimination of mosquitoes and other arthropods of public health importance.

(f) Waste collection and disposal.

(3) To adopt and enforce appropriate rules following the procedures of chapter 120, in connection with the provision of one or more services through its systems and facilities.

For the purpose of this subsection, the term "deed restrictions" means those covenants, conditions, restrictions, compliance mechanisms, and enforcement remedies contained in any applicable declarations of covenants and restrictions that govern the use and operation of real property and, for which covenants, conditions, and restrictions, there is no homeowners' association or property owner's association having respective enforcement powers unless, with respect to a homeowners' association whose board is under member control, the association and the district agree in writing to enforcement by the district. The district may adopt by rule all or certain portions of the deed restrictions that:

1. Relate to limitations, prohibitions, compliance mechanisms, or enforcement remedies that apply only to external appearances or uses and are deemed by the district to be generally beneficial for the district's landowners and for which enforcement by the district is appropriate, as determined by the district's board of supervisors; or

2. Are consistent with the requirements of a development order or regulatory agency permit.

(b) The board may vote to adopt such rules only when all of the following conditions exist:

1. The district was in existence on the effective date of this subsection, or is located within a development that consists of multiple developments of regional impact and a Florida Quality Development.

2. For residential districts, the majority of the board has been elected by qualified electors pursuant to the provisions of s. 190.006.

3. For residential districts, less than 25 percent of residential units are in a homeowners' association.

4. The declarant in any applicable declarations of covenants and restrictions has provided the board with a written agreement that such rules may be adopted. A memorandum of the agreement shall be recorded in the public records.

(c) Within 60 days after such rules take effect, the district shall record a notice of rule adoption stating generally what rules were adopted and where a copy of the rules may be obtained. Districts may impose fines for violations of such rules and enforce such rules and fines in circuit court through injunctive relief.

(d) The owners of property located outside the boundary of the district shall elect an advisor to the district board pursuant to paragraph (e). The sole responsibilities of the district board advisor are to review enforcement actions proposed by the district board against properties located outside the district and make recommendations relating to those proposed actions. Before the district board may enforce its rules against any owner of property located outside the district, the district board shall request the district board advisor to make a recommendation on the proposed enforcement action. The district board advisor must render a recommendation within 30 days after receiving a request from the district board or is deemed to have no objection to the district board's proposed decision or action.

(e)1. Whenever an interlocal agreement is entered into pursuant to paragraph (a), a district board advisor seat shall be created for one elected landowner whose property is within the jurisdiction of the governmental entity entering into the interlocal agreement but not within the boundaries of the district. The district board advisor shall be elected by landowners whose land is subject to enforcement by the district but whose land is not within the boundaries of the district but whose land is not within the boundaries of the district but whose land is not within the boundaries of the district. The district board advisor shall be elected for a 2-year term. The first election for a district board advisor shall be within 90 days after the effective date of the interlocal agreement between the district and the government entity.

2. The election of the district board advisor shall occur at a meeting of eligible landowners. The district shall

publish notice of the meeting and election once a week for 2 consecutive weeks in a newspaper of general circulation in the area of the parties to the interlocal agreement. The notice must include instructions on how all landowners may participate in the election and how to obtain a proxy form. The last day of publication may not be less than 14 days or more than 28 days before the date of the election. The landowners, when assembled at the meeting, shall organize by electing a chair who shall conduct the meeting. The chair may be any person present at the meeting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions.

3. At the meeting, each landowner is entitled to cast one vote per acre of land owned by him or her and located within the district for each person to be elected. A landowner may vote in person or by proxy in writing. Each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property, or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy need not be notarized. A fraction of an acre shall be treated as 1 acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. The acreage of platted lots may not be aggregated for purposes of determining the number or a landowner's proxy.

4. If a vacancy occurs in the district advisor seat, a special landowner election shall be held within 60 days after the vacancy using the notice, proxy, and acreage voting provisions of this subsection.

The community development district shall prepare a statement showing that the purchase, sale, or wastewater facility privatization contract is in the public interest, including a summary of the purchaser's or private firm's experience in water, sewer, or wastewater reuse utility operation and a showing of financial ability to provide the service, whether the purchaser or private firm is the community development district or the entity purchasing the utility from the community development district.

(1) The board shall cause to be made by the district's engineer, or such other engineer or engineers as the board may employ for that purpose, complete and comprehensive water management and control plans for the lands located within the district that will be improved in any part or in whole by any system of facilities that may be outlined and adopted, and the engineer shall make a report in writing to the board with maps and profiles of said surveys and an estimate of the cost of carrying out and completing the plans.

(2) Upon the completion of such plans, the board shall hold a hearing thereon to hear objections thereto, shall give notice of the time and place fixed for such hearing by publication once each week for 2 consecutive weeks in a newspaper of general circulation in the general area of the district, and shall permit the inspection of the plan at the office of the district by all persons interested. All objections to the plan shall be filed at or before the time fixed in the notice for the hearing and shall be in writing.

Such notes shall be in such denomination or denominations, bear interest at such rate as the board may determine in compliance with s. 215.84, mature at such time or times not later than 5 years from the date of issuance, and be in such form and executed in such manner as the board shall prescribe. Such notes may be sold at either public or private sale or, if such notes shall be paid from the proceeds of such bonds when issued. The board may, in its discretion, in lieu of retiring the notes by means of bonds, retire them by means of current revenues or from any taxes or assessments levied for the payment of such bonds; but in such event a like amount of the bonds authorized shall not constitute an installment of assessments under s. 190.022.

History.-s. 2, ch. 80-407; s. 9, ch. 83-215; s. 9, ch. 2007-160.

For the purpose of defraying such costs and expenses, the district may issue negotiable notes, warrants, or other evidences of debt to be payable at such times, to bear such interest as the board may determine in compliance with s. 215.84, and to be sold or discounted at such price or prices not less than 95 percent of par value and on such terms as the board may deem advisable. The board shall have the right to provide for the payment thereof by pledging the whole or any part of the funds, revenues, taxes, and assessments of the district. 190.016 Bonds.-

(1) SALE OF BONDS.—Bonds may be sold in blocks or installments at different times, or an entire issue or series may be sold at one time. Bonds may be sold at public or private sale after such advertisement, if any, as the board may deem advisable but not in any event at less than 90 percent of the par value thereof, together with accrued interest thereon. Bonds may be sold or exchanged for refunding bonds. Special assessment and revenue bonds may be delivered by the district as payment of the purchase price of any project or part thereof, or a combination of projects or parts thereof, or as the purchase price or exchange for any property, real, personal, or mixed, including franchises or services rendered by any contractor, engineer, or other person, all at one time or in blocks from time to time, in such manner and upon such terms as the board in its discretion shall determine. The price or prices for any bonds sold, exchanged, or delivered may be:

(a) The money paid for the bonds;

(b) The principal amount, plus accrued interest to the date of redemption or exchange, or outstanding obligations exchanged for refunding bonds; and

(c) In the case of special assessment or revenue bonds, the amount of any indebtedness to contractors or other persons paid with such bonds, or the fair value of any properties exchanged for the bonds, as determined by the board.

(2) AUTHORIZATION AND FORM OF BONDS.—Any general obligation bonds, benefit bonds, or revenue bonds may be authorized by resolution or resolutions of the board which shall be adopted by a majority of all the members thereof then in office. Such resolution or resolutions may be adopted at the same meeting at which they are introduced and need not be published or posted. The board may, by resolution, authorize the issuance of bonds and fix the aggregate amount of bonds to be issued; the purpose or purposes for which the moneys derived therefrom shall be expended, including, but not limited to, payment of costs as defined in s. 190.003(8); the rate or rates of interest, in compliance with s. 215.84; the denomination of the bonds; whether or not the bonds are to be issued in one or more series; the date or dates of maturity, which shall not exceed 40 years from their respective dates of issuance; the medium of payment; the place or places within or without the state where payment shall be made; registration privileges; redemption terms and privileges, whether with or without premium; the manner of execution; the form of the bonds, including any interest coupons to be attached thereto; the manner of execution of bonds and coupons; and any and all other terms, covenants, and conditions thereof and the establishment of revenue or other funds. Such authorizing resolution or resolutions may further provide for the contracts authorized by s. 159.825(1)(f) and (g) regardless of the tax treatment of such bonds being authorized, subject to the finding by the board of a net saving to the district resulting by reason thereof. Such authorizing resolution may further provide that such bonds may be executed in accordance with the Registered Public Obligations Act, except that bonds not issued in registered form shall be valid if manually countersigned by an officer designated by appropriate resolution of the board. The seal of the district may be affixed, lithographed, engraved, or otherwise reproduced in facsimile on such bonds. In case any officer whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until such delivery.

(3) INTERIM CERTIFICATES; REPLACEMENT CERTIFICATES.—Pending the preparation of definitive bonds, the board may issue interim certificates or receipts or temporary bonds, in such form and with such provisions as the board may determine, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The board may also provide for the replacement of any bonds which become mutilated, lost, or destroyed.

(4) NEGOTIABILITY OF BONDS.—Any bond issued under this act or any temporary bond, in the absence of an express recital on the face thereof that it is nonnegotiable, shall be fully negotiable and shall be and constitute a negotiable instrument within the meaning and for all purposes of the law merchant and the laws of the state.

(5) DEFEASANCE.—The board may make such provision with respect to the defeasance of the right, title, and interest of the holders of any of the bonds and obligations of the district in any revenues, funds, or other properties by which such bonds are secured as the board deems appropriate and, without limitation on the foregoing, may provide that when such bonds or obligations become due and payable or shall have been called for redemption and the whole amount of the principal and interest and premium, if any, due and payable upon the bonds or obligations then outstanding shall be held in trust for such purpose and provision shall also be made for paying all other sums payable in connection with such bonds or other obligations, then and in such event the right, title, and interest of the holders of the bonds in any revenues, funds, or other properties by which such bonds are secured shall thereupon cease, terminate, and become void; and the board may apply any surplus in any sinking fund established in connection with such bonds or obligations and all balances remaining in all other funds or accounts other than money held for the redemption or payment of the bonds or other obligations to any lawful purpose of the district as the board shall determine.

(6) ISSUANCE OF ADDITIONAL BONDS.—If the proceeds of any bonds are less than the cost of completing the project in connection with which such bonds were issued, the board may authorize the issuance of additional bonds, upon such terms and conditions as the board may provide in the resolution authorizing the issuance thereof, but only in compliance with the resolution or other proceedings authorizing the issuance of the original bonds.

(7) REFUNDING BONDS.—The district shall have the power to issue bonds to provide for the retirement or refunding of any bonds or obligations of the district that at the time of such issuance are or subsequently thereto become due and payable, or that at the time of issuance have been called or are or will be subject to call for redemption within 10 years thereafter, or the surrender of which can be procured from the holders thereof at prices satisfactory to the board. Refunding bonds may be issued at any time when in the judgment of the board such issuance will be advantageous to the district. No approval of the qualified electors residing in the district shall be required for the issuance of refunding bonds except in cases in which such approval is required by the State Constitution. The board may by resolution confer upon the holders of such refunding bonds all rights, powers, and remedies to which the holders would be entitled if they continued to be the owners and had possession of the bonds for the refinancing of which such refunding bonds are issued, including, but not limited to, the preservation of the lien of such bonds on the revenues of any project or on pledged funds, without extinguishment, impairment, or diminution thereof. The provisions of this act pertaining to bonds of the district shall, unless the context otherwise requires, govern the issuance of refunding bonds, the form and other details thereof, the rights of the holders thereof, and the duties of the board with respect to them.

(8) REVENUE BONDS.-

(a) The district shall have the power to issue revenue bonds from time to time without limitation as to amount. Such revenue bonds may be secured by, or payable from, the gross or net pledge of the revenues to be derived from any project or combination of projects; from the rates, fees, or other charges to be collected from the users of any project or projects; from any revenue-producing undertaking or activity of the district; from special assessments; or from any other source or pledged security. Such bonds shall not constitute an indebtedness of the district, and the approval of the qualified electors shall not be required unless such bonds are additionally secured by the full faith and credit and taxing power of the district.

(b) Any two or more projects may be combined and consolidated into a single project and may hereafter be operated and maintained as a single project. The revenue bonds authorized herein may be issued to finance any one or more of such projects, regardless of whether or not such projects have been combined and consolidated into a single project. If the board deems it advisable, the proceedings authorizing such revenue bonds may provide that the district may thereafter combine the projects then being financed or theretofore financed with other projects to be subsequently financed by the district and that revenue bonds to be thereafter issued by the district shall be on parity with the revenue bonds then being issued, all on such terms, conditions, and limitations as shall have been provided in the proceeding which authorized the original bonds.

(9) GENERAL OBLIGATION BONDS.-

(a) The district shall have the power from time to time to issue general obligation bonds to finance or refinance capital projects or to refund outstanding bonds in an aggregate principal amount of bonds outstanding at any one time not in excess of 35 percent of the assessed value of the taxable property within the district as shown on the pertinent tax records at the time of the authorization of the general obligation bonds for which the full faith and credit of the district is pledged. Except for refunding bonds, no general obligation bonds shall be issued unless the bonds are issued to finance or refinance a capital project and the issuance has been approved at an election held in accordance with the requirements for such election as prescribed by the State Constitution. Such elections shall be called to be held in the district by the board of county commissioners of the county upon the request of the board of the district. The expenses of calling and holding an election shall be at the expense of the district, and the district shall reimburse the county for any expenses incurred in calling or holding such election.

(b) The district may pledge its full faith and credit for the payment of the principal and interest on such general obligation bonds and for any reserve funds provided therefor and may unconditionally and irrevocably pledge itself to levy ad valorem taxes on all taxable property in the district, to the extent necessary for the payment thereof, without limitations as to rate or amount.

(c) If the board determines to issue general obligation bonds for more than one capital project, the approval of the issuance of the bonds for each and all such projects may be submitted to the electors on one and the same ballot. The failure of the electors to approve the issuance of bonds for any one or more capital projects shall not defeat the approval of bonds for any capital project which has been approved by the electors.

(d) In arriving at the amount of general obligation bonds permitted to be outstanding at any one time pursuant to paragraph (a), there shall not be included any general obligation bonds which are additionally secured by the pledge of:

1. Special assessments levied in an amount sufficient to pay the principal and interest on the general obligation bonds so additionally secured, which assessments have been equalized and confirmed by resolution or ordinance of the board pursuant to s. 170.08.

2. Water revenues, sewer revenues, or water and sewer revenues of the district to be derived from user fees in an amount sufficient to pay the principal and interest on the general obligation bonds so additionally secured.

3. Any combination of assessments and revenues described in subparagraphs 1. and 2.

(10) BONDS AS LEGAL INVESTMENT OR SECURITY .-

(b) Any bonds issued by the district shall be incontestable in the hands of bona fide purchasers or holders for value and shall not be invalid because of any irregularity or defect in the proceedings for the issue and sale thereof.

(11) COVENANTS.—Any resolution authorizing the issuance of bonds may contain such covenants as the board may deem advisable, and all such covenants shall constitute valid and legally binding and enforceable contracts between the district and the bondholders, regardless of the time of issuance thereof. Such covenants may include, without limitation, covenants concerning the disposition of the bond proceeds; the use and disposition of project revenues; the pledging of revenues, taxes, and assessments; the obligations of the district with respect to the operation of the project and the maintenance of adequate project revenues; the issuance of additional bonds; the appointment, powers, and duties of trustees and receivers; the acquisition of outstanding bonds and obligations; restrictions on the establishing of competing projects or facilities; restrictions on the sale or disposal of the assets and property of the district; the priority of assessment liens; the priority of claims by bondholders on the taxing power of the district; the maintenance of deposits to assure the payment of revenues by users of district facilities and services; the discontinuance of district services by reason of delinquent payments; acceleration upon default; the execution of necessary instruments; the procedure for amending or abrogating covenants with the bondholders.

(12) VALIDATION PROCEEDINGS.—The power of the district to issue bonds under the provisions of this act may be determined, and any of the bonds of the district maturing over a period of more than 5 years shall be validated and confirmed, by court decree, under the provisions of chapter 75 and laws amendatory thereof or supplementary thereto.

No procedures or proceedings, publications, notices, consents, approvals, orders, acts, or things by the board, or any board, officers, commission, department, agency, or instrumentality of the district, other than those required by this act, shall be required to perform anything under this act, except that the issuance or sale of bonds pursuant to the provisions of this act shall comply with the general law requirements applicable to the issuance or sale of bonds by the district. Nothing in this act shall be construed to authorize the district to utilize bond proceeds to fund the ongoing operations of the district.

(14) PLEDGE BY THE STATE TO THE BONDHOLDERS OF THE DISTRICT.—The state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to own, acquire, construct, reconstruct, improve, maintain, operate, or furnish the projects or to levy and collect the taxes, assessments, rentals, rates, fees, and other charges provided for herein and to fulfill the terms of any agreement made with the holders of such bonds or other obligations and that it will not in any way impair the rights or remedies of such holders.

(15) DEFAULT.—A default on the bonds or obligations of a district shall not constitute a debt or obligation of a local general-purpose government or the state.

The resolution authorizing the issuance of the bonds or such trust agreement may pledge the revenues to be received from any projects of the district and may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as the board may approve, including, without limitation, covenants setting forth the duties of the district in relation to: the acquisition, construction, reconstruction, improvement, maintenance, repair, operation, and insurance of any projects; the fixing and revising of the rates, fees, and charges; and the custody, safeguarding, and application of all moneys and for the employment of consulting engineers in connection with such acquisition, construction, reconstruction, improvement, maintenance, repair, or operation. The board may provide for the payment of proceeds of the sale of the bonds and the revenues of any project to such officer, board, or depository as it may designate for the custody thereof and may provide for the method of disbursement thereof with such safeguards and restrictions as it may determine. These maintenance special assessments shall be a lien on the property against which assessed until paid and shall be enforceable in like manner as county taxes. Nothing in this act shall be construed to affect any tax or assessment pledged to secure or authorized pursuant to a trust indenture under this chapter, and the district imposing such tax or assessment is hereby authorized to impose such tax or assessment under the terms required by the trust indenture. The terms benefit taxes or maintenance taxes used in this chapter prior to June 21, 1991, are redesignated as benefit or maintenance special assessments pursuant to this act, and such terms may be used interchangeably under the terms of an existing trust indenture.

190.023 Issuance of certificates of indebtedness based on assessments for assessable improvements; assessment bonds.—

(1) The board may, after any assessments for assessable improvements are made, determined, and confirmed as provided in s. 190.022, issue certificates of indebtedness for the amount so assessed against the abutting property or property otherwise benefited, as the case may be; and separate certificates shall be issued against each part or parcel of land or property assessed, which certificates shall state the general nature of the improvement for which the assessment is made. The certificates shall be payable in annual installments in accordance with the installments of the special assessment for which they are issued. The board may determine the interest to be borne by such certificates, in compliance with s. 215.84, and may sell such certificates. The certificates shall recite that they are payable only from the special assessments levied and collected from the part or parcel of land or property against which they are issued. The proceeds of such certificates may be pledged for the payment of principal of and interest on any revenue bonds or general obligation bonds issued to finance in whole or in part such assessable improvement, or, if not so pledged, may be used to pay the cost or part of the cost of such

assessable improvements.

(2) The district may also issue assessment bonds or other obligations payable from a special fund into which such certificates of indebtedness referred to in the preceding subsection may be deposited; or, if such certificates of indebtedness have not been issued, the district may assign to such special fund for the benefit of the holders of such assessment bonds or other obligations, or to a trustee for such bondholders, the assessment liens provided for in this act unless such certificates of indebtedness or assessment liens have been theretofore pledged for any bonds or other obligations authorized hereunder. In the event of the creation of such special fund and the issuance of such assessment bonds or other obligations, the proceeds of such certificates of indebtedness or assessment liens deposited therein shall be used only for the payment of the assessment bonds or other obligations issued as provided in this section. The district is authorized to covenant with the holders of such assessment bonds or other obligations that it will diligently and faithfully enforce and collect all the special assessments and interest and penalties thereon for which such certificates of indebtedness or assessment liens have been deposited in or assigned to such fund; to foreclose such assessment liens so assigned to such special fund or represented by the certificates of indebtedness deposited in the special fund, after such assessment liens have become delinquent, and deposit the proceeds derived from such foreclosure, including interest and penalties, in such special fund; and to make any other covenants deemed necessary or advisable in order to properly secure the holders of such assessment bonds or other obligations.

(3) The assessment bonds or other obligations issued pursuant to this section shall have such dates of issue and maturity as shall be deemed advisable by the board; however, the maturities of such assessment bonds or other obligations shall not be more than 2 years after the due date of the last installment which will be payable on any of the special assessments for which such assessment liens, or the certificates of indebtedness representing such assessment liens, are assigned to or deposited in such special fund.

(4) Such assessment bonds or other obligations issued under this section shall bear such interest as the board may determine, not to exceed a rate which is in compliance with s. 215.84, and shall be executed, shall have such provisions for redemption prior to maturity, shall be sold in the manner and be subject to all of the applicable provisions contained in this act for revenue bonds, except as the same may be inconsistent with the provisions of this section.

(5) All assessment bonds or other obligations issued under the provisions of this act, except certificates of indebtedness issued against separate lots or parcels of land or property as provided in this section, shall be and constitute and shall have all the qualities and incidents of negotiable instruments under the law merchant and the laws of the state.

History.-s. 2, ch. 80-407; s. 81, ch. 81-259; s. 12, ch. 83-215.

190.024 Tax liens.—All taxes of the district provided for in this act, together with all penalties for default in the payment of the same and all costs in collecting the same, including a reasonable attorney's fee fixed by the court and taxed as a cost in the action brought to enforce payment, shall, from January 1 for each year the property is liable to assessment and until paid, constitute a lien of equal dignity with the liens for state and county taxes and other taxes of equal dignity with state and county taxes upon all the lands against which such taxes shall be levied. A sale of any of the real property within the district for state and county or other taxes shall not operate to relieve or release the property so sold from the lien for subsequent district taxes or installments of district taxes, which lien may be enforced against such property as though no such sale thereof had been made. The provisions of ss. 194.171, 197.122, 197.333, and 197.432 shall be applicable to district taxes with the same force and effect as if such provisions were expressly set forth in this act.

History.-s. 2, ch. 80-407; s. 33, ch. 82-226; s. 202, ch. 85-342; s. 27, ch. 95-280.

190.025 Payment of taxes and redemption of tax liens by the district; sharing in proceeds of tax sale.-

(1) The district has the right to:

(a) Pay any delinquent state, county, district, municipal, or other tax or assessment upon lands located wholly or partially within the boundaries of the district; and

(b) To redeem or purchase any tax sales certificates issued or sold on account of any state, county, district, municipal, or other taxes or assessments upon lands located wholly or partially within the boundaries of the district.

(2) Delinquent taxes paid, or tax sales certificates redeemed or purchased, by the district, together with all penalties for the default in payment of the same and all costs in collecting the same and a reasonable attorney's fee, shall constitute a lien in favor of the district of equal dignity with the liens of state and county taxes and other taxes of equal dignity with state and county taxes upon all the real property against which the taxes were levied. The lien of the district may be foreclosed in the manner provided in this act.

(3) In any sale of land pursuant to s. 197.542 and amendments thereto, the district may certify to the clerk of the circuit court of the county holding such sale the amount of taxes due to the district upon the lands sought to be sold; and the district shall share in the disbursement of the sales proceeds in accordance with the provisions of this act and under the laws of the state.

History.-s. 2, ch. 80-407; s. 203, ch. 85-342.

190.026 Foreclosure of liens. - Any lien in favor of the district arising under this act may be foreclosed by the district by foreclosure proceedings in the name of the district in a court of competent jurisdiction as provided by general law in like manner as is provided in chapter 170 or chapter 173 and amendments thereto; the provisions of those chapters shall be applicable to such proceedings with the same force and effect as if those provisions were expressly set forth in this act. Any act required or authorized to be done by or on behalf of a municipality in foreclosure proceedings under chapter 170 or chapter 173 may be performed by such officer or agent of the district as the board of supervisors may designate. Such foreclosure proceedings may be brought at any time after the expiration of 1 year from the date any tax, or installment thereof, becomes delinquent; however no lien shall be foreclosed against any political subdivision or agency of the state. Other legal remedies shall remain available.

Mandatory use of certain district facilities and services. - To the full extent permitted by law, the 190.031 district shall require all lands, buildings, premises, persons, firms, and corporations within the district to use the water management and control facilities and water and sewer facilities of the district. History.-s. 2, ch. 80-407.

190.033 Bids required.-

(1) No contract shall be let by the board for any goods, supplies, or materials to be purchased when the amount thereof to be paid by the district shall exceed the amount provided in s. 287.017 for category four, unless notice of bids or other competitive solicitation, including requests for proposals or qualifications, is advertised once in a newspaper in general circulation in the county and in the district. Any board seeking to construct or improve a public building, structure, or other public works shall comply with the bidding procedures of s. 255.20 and other applicable general law. In each case, the bid of the lowest responsive and responsible bidder shall be accepted unless all bids are rejected because the bids are too high, or the board determines it is in the best interests of the district to reject all bids. In each case in which requests for proposals, qualifications, or other competitive solicitations are used, the district shall determine which response is most advantageous for the district and award the contract to that proposer. The board may require the bidders or proposers to furnish bond with a responsible surety to be approved by the board. If the district does not receive a response to its competitive solicitation, the district may proceed to purchase such goods, supplies, materials, or construction services in the manner it deems in the best interests of the district. Nothing in this section shall prevent the board from undertaking and

performing the construction, operation, and maintenance of any project or facility authorized by this act by the employment of labor, material, and machinery.

(2) The provisions of the Consultants' Competitive Negotiation Act, s. 287.055, apply to contracts for engineering, architecture, landscape architecture, or registered surveying and mapping services let by the board.

(3) Contracts for maintenance services for any district facility or project shall be subject to competitive solicitation requirements when the amount thereof to be paid by the district exceeds the amount provided in s. 287.017 for category four. The district shall adopt rules, policies, or procedures establishing competitive solicitation procedures for maintenance services. Contracts for other services shall not be subject to competitive solicitation unless the district adopts a rule, policy, or procedure applying competitive solicitation procedures to said contracts.

190.035 Fees, rentals, and charges; procedure for adoption and modifications; minimum revenue requirements.—

(1) The district is authorized to prescribe, fix, establish, and collect rates, fees, rentals, or other charges, hereinafter sometimes referred to as "revenues," and to revise the same from time to time, for the facilities and services furnished by the district, within the limits of the district, including, but not limited to, recreational facilities, water management and control facilities, and water and sewer systems; to recover the costs of making connection with any district facility or system; and to provide for reasonable penalties against any user or property for any such rates, fees, rentals, or other charges that are delinquent.

(2) No such rates, fees, rentals, or other charges for any of the facilities or services of the district shall be fixed until after a public hearing at which all the users of the proposed facility or services or owners, tenants, or occupants served or to be served thereby and all other interested persons shall have an opportunity to be heard concerning the proposed rates, fees, rentals, or other charges. Rates, fees, rentals, and other charges shall be adopted under the administrative rulemaking authority of the district, but shall not apply to district leases. Notice of such public hearing setting forth the proposed schedule or schedules of rates, fees, rentals, and other charges shall have been published in a newspaper in the county and of general circulation in the district at least once and at least 10 days prior to such public hearing. The rulemaking hearing may be adjourned from time to time. After such hearing, such schedule or schedules of such rates, fees, rentals, adopted shall be kept on file in an office designated by the board and shall be open at all reasonable times to public inspection. The rates, fees, rentals, or charges so fixed for any class of users or property served shall be extended to cover any additional users or properties thereafter served which shall fall in the same class, without the necessity of any notice or hearing.

(3) Such rates, fees, rentals, and charges shall be just and equitable and uniform for users of the same class, and when appropriate may be based or computed either upon the amount of service furnished, upon the number of average number of persons residing or working in or otherwise occupying the premises served, or upon any other factor affecting the use of the facilities furnished, or upon any combination of the foregoing factors, as may be determined by the board on an equitable basis.

(4) The rates, fees, rentals, or other charges prescribed shall be such as will produce revenues, together with any other assessments, taxes, revenues, or funds available or pledged for such purpose, at least sufficient to provide for the items hereinafter listed, but not necessarily in the order stated:

(a) To provide for all expenses of operation and maintenance of such facility or service;

(b) To pay when due all bonds and interest thereon for the payment of which such revenues are, or shall have been, pledged or encumbered, including reserves for such purpose; and

(c) To provide for any other funds which may be required under the resolution or resolutions authorizing the

issuance of bonds pursuant to this act.

(5) The board shall have the power to enter into contracts for the use of the projects of the district and with respect to the services and facilities furnished or to be furnished by the district.

History.-s. 2, ch. 80-407; s. 10, ch. 91-308.

190.036 Recovery of delinquent charges.—In the event that any rates, fees, rentals, charges, or delinquent penalties shall not be paid as and when due and shall be in default for 60 days or more, the unpaid balance thereof and all interest accrued thereon, together with reasonable attorney's fees and costs, may be recovered by the district in a civil action.

History.-s. 2, ch. 80-407.

190.037 Discontinuance of service. – In the event the fees, rentals, or other charges for water and sewer services, or either of them, are not paid when due, the board shall have the power, under such reasonable rules and regulations as the board may adopt, to discontinue and shut off both water and sewer services until such fees, rentals, or other charges, including interest, penalties, and charges for the shutting off and discontinuance and the restoration of such water and sewer services or both, are fully paid; and, for such purposes, the board may enter on any lands, waters, or premises of any person, firm, corporation, or body, public or private, within the district limits. Such delinguent fees, rentals, or other charges, together with interest, penalties, and charges for the shutting off and discontinuance and the restoration of such services and facilities and reasonable attorney's fees and other expenses, may be recovered by the district, which may also enforce payment of such delinquent fees, rentals, or other charges by any other lawful method of enforcement.

History.-s. 2, ch. 80-407; s. 82, ch. 81-259.

190.041 Enforcement and penalties. - The board or any aggrieved person may have recourse to such remedies in law and at equity as may be necessary to ensure compliance with the provisions of this act, including injunctive relief to enjoin or restrain any person violating the provisions of this act or any bylaws, resolutions, regulations, rules, codes, or orders adopted under this act. In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained, or any building, structure, land, or water is used, in violation of this act or of any code, order, resolution, or other regulation made under authority conferred by this act or under law, the board or any citizen residing in the district may institute any appropriate action or proceeding to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use; to restrain, correct, or avoid such violation; to prevent the occupancy of such building, structure, land, or water; and to prevent any illegal act, conduct, business, or use in or about such premises, land, or water.

History.-s. 2, ch. 80-407; s. 83, ch. 81-259.

190.043 Suits against the district.—Any suit or action brought or maintained against the district for damages arising out of tort, including, without limitation, any claim arising upon account of an act causing an injury or loss of property, personal injury, or death, shall be subject to the limitations provided in s. 768.28.

History.-s. 2, ch. 80-407.

190.044 Exemption of district property from execution.-All district property shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against such property, nor shall any judgment against the district be a charge or lien on its property or revenues; however, nothing contained herein shall apply to or limit the rights of bondholders to pursue any remedy for the enforcement of any lien or pledge given by the district in connection with any of the bonds or obligations of the district. History.-s. 2, ch. 80-407.

190.046 Termination, contraction, or expansion of district.-

(1) A landowner or the board may petition to contract or expand the boundaries of a community development district in the following manner:

(a) The petition shall contain the same information required by s. 190.005(1)(a)1. and 8. In addition, if the petitioner seeks to expand the district, the petition shall describe the proposed timetable for construction of any district services to the area, the estimated cost of constructing the proposed services, and the designation of the future general distribution, location, and extent of public and private uses of land proposed for the area by the future land use plan element of the adopted local government local comprehensive plan. If the petitioner seeks to contract the district, the petition shall describe what services and facilities are currently provided by the district to the area being removed, and the designation of the future general distribution, location, and extent of public and private uses of land proposed for the area by the comprehensive plan.

(b) For those districts initially established by county ordinance, the petition for ordinance amendment shall be filed with the county commission. If the land to be included or excluded is, in whole or in part, within the boundaries of a municipality, then the county commission shall not amend the ordinance without municipal approval. A public hearing shall be held in the same manner and with the same public notice as other ordinance amendments. The county commission shall consider the record of the public hearing and the factors set forth in s. 190.005(1)(e) in making its determination to grant or deny the petition for ordinance amendment.

(c) For those districts initially established by municipal ordinance pursuant to s. 190.005(2)(e), the municipality shall assume the duties of the county commission set forth in paragraph (b); however, if any of the land to be included or excluded, in whole or in part, is outside the boundaries of the municipality, then the municipality shall not amend its ordinance without county commission approval.

(d)1. For those districts initially established by administrative rule pursuant to s. 190.005(1), the petition shall be filed with the Florida Land and Water Adjudicatory Commission.

2. Prior to filing the petition, the petitioner shall pay a filing fee of \$1,500, to the county if the district or the land to be added or deleted from the district is located within an unincorporated area or to the municipality if the district or the land to be added or deleted is located within an incorporated area, and to each municipality the boundaries of which are contiguous with or contain all or a portion of the land within or to be added to or deleted from the external boundaries of the district. The petitioner shall submit a copy of the petition to the same entities entitled to receive the filing fee. In addition, if the district is not the petitioner, the petitioner shall file the petition with the district board of supervisors.

3. Each county and each municipality shall have the option of holding a public hearing as provided by s. 190.005(1)(c). However, the public hearing shall be limited to consideration of the contents of the petition and whether the petition for amendment should be supported by the county or municipality.

4. The district board of supervisors shall, in lieu of a hearing officer, hold the local public hearing provided for by s. 190.005(1)(d). This local public hearing shall be noticed in the same manner as provided in s. 190.005(1)(d). Within 45 days of the conclusion of the hearing, the district board of supervisors shall transmit to the Florida Land and Water Adjudicatory Commission the full record of the local hearing, the transcript of the hearing, any resolutions adopted by the local general-purpose governments, and its recommendation whether to grant the petition for amendment. The commission shall then proceed in accordance with s. 190.005(1)(e).

5. A rule amending a district boundary shall describe the land to be added or deleted.

(e)1. During the existence of a district initially established by administrative rule, the process to amend the boundaries of the district pursuant to paragraphs (a)-(d) shall not permit a cumulative net total greater than 50 percent of the land in the initial district, and in no event greater than 1,000 acres on a cumulative net basis.

2. During the existence of a district initially established by county or municipal ordinance, the process to amend the boundaries of the district pursuant to paragraphs (a)-(d) shall not permit a cumulative net total greater than

50 percent of the land in the initial district, and in no event greater than 1,000 acres on a cumulative net basis.

(f) Petitions to amend the boundaries of the district that exceed the amount of land specified in paragraph (e) shall be processed in accordance with s. 190.005, and the petition shall include only the elements set forth in s. 190.005(1)(a)1. and 5.-8. and the consent required by paragraph (g). However, the resulting administrative rule or ordinance may only amend the boundaries of the district and may not establish a new district or cause a new 6-year or 10-year period to begin pursuant to s. 190.006(3)(a)2. The filing fee for such petitions shall be as set forth in s. 190.005(1)(b), as applicable.

(g) In all cases of a petition to amend the boundaries of a district, the filing of the petition by the district board of supervisors constitutes consent of the landowners within the district. In all cases, written consent of those landowners whose land is to be added to or deleted from the district as provided in s. 190.005(1)(a)2. is required.

(h) For a petition to establish a new community development district of less than 2,500 acres on land located solely in one county or one municipality, sufficiently contiguous lands located within the county or municipality which the petitioner anticipates adding to the boundaries of the district within 10 years after the effective date of the ordinance establishing the district may also be identified. If such sufficiently contiguous land is identified, the petition must include a legal description of each additional parcel within the sufficiently contiguous land, the current owner of the parcel, the acreage of the parcel, and the current land use designation of the parcel. At least 14 days before the hearing required under s. 190.005(2)(b), the petitioner must give the current owner of each such parcel notice of filing the petition to establish the district, the date and time of the public hearing on the petition, and the name and address of the petitioner. A parcel may not be included in the district without the written consent of the owner of the parcel.

1. After establishment of the district, a person may petition the county or municipality to amend the boundaries of the district to include a previously identified parcel that was a proposed addition to the district before its establishment. A filing fee may not be charged for this petition. Each such petition must include:

a. A legal description by metes and bounds of the parcel to be added;

b. A new legal description by metes and bounds of the district;

c. Written consent of all owners of the parcel to be added;

d. A map of the district including the parcel to be added;

e. A description of the development proposed on the additional parcel; and

f. A copy of the original petition identifying the parcel to be added.

2. Before filing with the county or municipality, the person must provide the petition to the district and to the owner of the proposed additional parcel, if the owner is not the petitioner.

3. Once the petition is determined sufficient and complete, the county or municipality must process the addition of the parcel to the district as an amendment to the ordinance that establishes the district. The county or municipality may process all petitions to amend the ordinance for parcels identified in the original petition, even if, by adding such parcels, the district exceeds 2,500 acres.

4. The petitioner shall cause to be published in a newspaper qualified to publish legal notices in the proposed district a notice of the intent to amend the ordinance that establishes the district. The notice must be in addition to any notice required for adoption of the ordinance amendment. Such notice must be published as provided in chapter 50 at least 10 days before the scheduled hearing on the ordinance amendment. The notice must include a general description of the land to be added to the district and the date and time of the scheduled hearing to amend the ordinance. The petitioner shall deliver, including by mail or hand delivery, the notice of the hearing on the ordinance amendment to the owner of the parcel and to the district at least 14 days before the scheduled hearing.

5. The amendment of a district by the addition of a parcel pursuant to this paragraph does not alter the transition from landowner voting to qualified elector voting pursuant to s. 190.006, even if the total size of the

district after the addition of the parcel exceeds 5,000 acres. Upon adoption of the ordinance expanding the district, the petitioner must cause to be recorded a notice of boundary amendment which reflects the new boundaries of the district.

6. This paragraph is intended to facilitate the orderly addition of lands to a district under certain circumstances and does not preclude the addition of lands to any district using the procedures in the other provisions of this section.

(2) The district shall remain in existence unless:

(a) The district is merged with another district as provided in subsection (3) or subsection (4);

(b) All of the specific community development systems, facilities, and services that it is authorized to perform have been transferred to a general-purpose unit of local government in the manner provided in subsections (5), (6), and (7); or

(c) The district is dissolved as provided in subsection (8), subsection (9), or subsection (10).

(3) The district may merge with other community development districts upon filing a petition for merger, which petition shall include the elements set forth in s. 190.005(1) and which shall be evaluated using the criteria set forth in s. 190.005(1)(e). The filing fee shall be as set forth in s. 190.005(1)(b). In addition, the petition shall state whether a new district is to be established or whether one district shall be the surviving district. A community development district may also merge with another type of special district created by special act pursuant to the terms of that special act or by filing a petition for establishment of a new district pursuant to s. 190.005. The government formed by a merger involving a community development district pursuant to this section shall assume all indebtedness of, and receive title to, all property owned by the preexisting special districts, and the rights of creditors and liens upon property are not impaired by such merger. Any claim existing or action or proceeding pending by or against any district that is a party to the merger may be continued as if the merger had not occurred, or the surviving district may be substituted in the proceeding for the district that ceased to exist. Prior to filing a petition, the districts desiring to merge shall enter into a merger agreement and shall provide for the proper allocation of the indebtedness so assumed and the manner in which such debt shall be retired. The approval of the merger agreement and the petition by the board of supervisors of the district shall constitute consent of the landowners within the district. A community development district merging with another type of district may also enter into a merger agreement to address issues of transition, including the allocation of indebtedness and retirement of debt.

(4)(a) To achieve economies of scale, reduce costs to affected district residents and businesses in areas with multiple existing districts, and encourage the merger of multiple districts, up to five districts that were established by the same local general-purpose government and whose board memberships are composed entirely of qualified electors may merge into one surviving district through adoption of an ordinance by the local general-purpose government, notwithstanding the acreage limitations otherwise set forth for the establishment of a district in this chapter. The filing of a petition by the majority of the members of each district board of supervisors seeking to merge constitutes consent of the landowners within each applicable district.

(b) In addition to meeting the requirements of subsection (3), a merger agreement entered into between the district boards subject to this subsection must also:

1. Require the surviving merged district board to consist of five elected board members.

2. Require each at-large board seat to represent the entire geographic area of the surviving merged district.

3. Ensure that each district to be merged is entitled to elect at least one board member from its former boundary.

4. Ensure a fair allocation of board membership to represent the districts being merged. To that end:

a. If two districts merge, two board members shall be elected from each of the districts and one member shall be elected at-large.

b. If three districts merge, one board member shall be elected from each of the three districts and two board members shall be elected at-large.

c. If four districts merge, one board member shall be elected from each of the four districts and one board member shall be elected at-large.

d. If five districts merge, one board member shall be elected from each of the five districts.

5. Require the election of board members for the surviving merged district to be held at the next general election following the merger, at which time all terms of preexisting board members shall end and the merger shall be legally in effect.

(c) Before filing the merger petition with the local general-purpose government under this subsection, each district proposing to merge must hold a public hearing within its district to provide information about and take public comment on the proposed merger, merger agreement, and assignment of board seats. Notice of the hearing shall be published at least 14 days before the hearing. If, after the public hearing, a district board decides that it no longer wants to merge and cancels the proposed merger agreement, the remaining districts must each hold another public hearing on the revised merger agreement. A petition to merge may not be filed for at least 30 days after the last public hearing held by the districts proposing to merge.

(5) The local general-purpose government within the geographical boundaries of which the district lies may adopt a nonemergency ordinance providing for a plan for the transfer of a specific community development service from a district to the local general-purpose government. The plan must provide for the assumption and guarantee of the district debt that is related to the service by the local general-purpose government and must demonstrate the ability of the local general-purpose government to provide such service:

(a) As efficiently as the district.

(b) At a level of quality equal to or higher than the level of quality actually delivered by the district to the users of the service.

(c) At a charge equal to or lower than the actual charge by the district to the users of the service.

(6) No later than 30 days following the adoption of a transfer plan ordinance, the board of supervisors may file, in the circuit court for the county in which the local general-purpose government that adopted the ordinance is located, a petition seeking review by certiorari of the factual and legal basis for the adoption of the transfer plan ordinance.

(7) Upon the transfer of all of the community development services of the district to a general-purpose unit of local government, the district shall be terminated in accordance with a plan of termination which shall be adopted by the board of supervisors and filed with the clerk of the circuit court.

(8) If, within 5 years after the effective date of the rule or ordinance establishing the district, a landowner has not received a development permit, as defined in chapter 380, on some part or all of the area covered by the district, then the district will be automatically dissolved and a judge of the circuit court shall cause a statement to that effect to be filed in the public records.

(9) In the event the district has become inactive pursuant to s. 189.062, the respective board of county commissioners or city commission shall be informed and it shall take appropriate action.

(10) If a district has no outstanding financial obligations and no operating or maintenance responsibilities, upon the petition of the district, the district may be dissolved by a nonemergency ordinance of the general-purpose local governmental entity that established the district or, if the district was established by rule of the Florida Land and Water Adjudicatory Commission, the district may be dissolved by repeal of such rule of the commission.

Re: Community Development District Representation

Dear Board of Supervisors:

On behalf of Kutak Rock LLP, we are pleased to submit this letter regarding our interest in serving as counsel to the Board of Supervisors of the Acree Community Development District (the "District"). The Tallahassee office of Kutak Rock has extensive experience representing community development districts and other special taxing districts throughout the state of Florida. Our lawyers have been providing clients with advice regarding the operation of community development districts for over 30 years and presently serve as general counsel to approximately 200-plus community development districts and other special taxing districts throughout Florida and have established a number of others.

Kutak Rock regularly provides advice to districts in contractual matters, bidding, budgeting, and the many other issues with which district boards are confronted on a day-to-day basis. We currently represent several districts in the Northeast Florida area including districts located in Clay, Duval, Nassau and St. Johns Counties. It is extremely important that counsel to the District be familiar with the significant responsibilities and obligations of the members of the Board of Supervisors. It is also critical that counsel function effectively as a part of the District's "staff" or management team to ensure that the operations of the District are effectively and smoothly administered. In that regard, we have worked with a variety of engineers, consultants, and other attorneys and fully understand the importance of functioning as a team.

For services as counsel to the District, we propose to charge an hourly rate for the attorney performing the work plus direct out-of-pocket expenses for travel costs, postage, and copying charges, etc. For matters related to issuance of debt, if any, we will identify a 'not to exceed' flat fee prior to each such issuance or may track our time hourly. Our rates vary depending generally on the experience of that attorney. For example, my proposed hourly rate is \$360.00. Other work by attorneys and paralegals in the firm would also be performed at their established rates. Our rates are reviewed annually and may be adjusted from time to time in conjunction with such reviews, after providing notice to you. Let me assure you that we will make every effort to keep legal costs as low as possible while providing services consistent with our professional responsibilities. Itemized bills showing all time spent for services are rendered monthly and are

due upon receipt. We have attached a copy of the firm's policy with respect to expenses, although to the extent that Chapter 112, F.S., conflicts with these policies, Chapter 112, F.S., will govern.

With respect to conflicts, it is important to disclose that our firm represents a number of other special districts throughout Florida. Individuals with our firm also assisted Corner Lot Development Group, LLC, in its efforts to establish the Acree Community Development District. However, we are unaware of any ethical conflicts in our representation of the Acree Community Development District. Please note that acceptance of the Fee Agreement will constitute your waiver of any "conflict."

If we can provide you with any additional information, please feel free to contact us. Thank you for this opportunity, and we look forward to working with you.

Sincerely,

Wenty Holm

- A. The Client agrees to employ and retain Kutak Rock as its attorney and legal representative for general advice, counseling and representation of Client and its Board of Supervisors.
- B. Kutak Rock accepts such employment and agrees to serve as attorney for and provide legal representation to the Client in connection with those matters referenced above. No other legal representation is contemplated by this Agreement. Any additional legal services to be provided under the terms of this Agreement shall be agreed to by Client and Kutak Rock in writing. Unless set forth in a separate agreement to which Client consents in writing, Kutak Rock does not represent individual members of the Client's Board of Supervisors.

III. CLIENT FILES

The files and work product materials ("**Client File**") of the Client generated or received by Kutak Rock will be maintained confidentially to the extent permitted by law and in accordance with the Florida Bar rules. At the conclusion of the representation, the Client File will be stored by Kutak Rock for a minimum of five (5) years. After the five (5) year storage period, the Client hereby acknowledges and consents that Kutak Rock may confidentially destroy or shred the Client File. Notwithstanding the prior sentence, if the Client provides Kutak Rock with a written request for the return of the Client File before the end of the five (5) year storage period, then Kutak Rock will return the Client File to Client at Client's expense.

IV. FEES

- A. The Client agrees to compensate Kutak Rock for services rendered in connection with any matters covered by this Agreement on an hourly rate basis plus actual expenses incurred by Kutak Rock in accordance with the attached Expense Reimbursement Policy (Attachment A, incorporated herein by reference). Time will be billed in increments of one-tenth (1/10) of an hour. Certain work related to issuance of bonds and bond anticipation notes may be performed under a flat fee to be separately established prior to or at the time of bond or note issuance.
- B. Attorneys and staff, if applicable, who perform work for Client will be billed at their regular hourly rates, as may be adjusted from time to time. The regular hourly rates of those initially expected to handle the bulk of Client's work are as follows:

Wesley S. Haber	\$360.00
Associates	\$280.00
Paralegals	\$165.00

Kutak Rock's regular hourly billing rates are reevaluated annually and are subject to change not more than once in a calendar year. Client agrees to Kutak Rock's annual rate increases to the extent hourly rates are not increased beyond \$15/hour per year.

- C. To the extent practicable and consistent with the requirements of sound legal representation, Kutak Rock will attempt to reduce Client's bills by assigning each task to the person best able to perform it at the lowest rate, so long as he or she has the requisite knowledge and experience.
- D. Upon consent of Client, Kutak Rock may subcontract for legal services in the event that Client requires legal services for which Kutak Rock does not have adequate capabilities.
- E. Kutak Rock will include costs and expenses (including interest charges on past due statements) on its billing statements for Client reimbursement in accordance with the attached Expense Reimbursement Policy.

V. BILLING AND PAYMENT

The Client agrees to pay Kutak Rock's monthly billings for fees and expenses incurred within thirty (30) days following receipt of an invoice, or the time permitted by Florida law, whichever is greater. Kutak Rock shall not be obligated to perform further legal services under this Agreement if any such billing statement remains unpaid longer than thirty (30) days after submittal to and receipt by Client. Non-payment of billing statements shall be a basis for Kutak Rock to immediately withdraw from the representation without regard to remaining actions necessitating attention by Kutak Rock as part of the representation.

VI. DEFAULT; VENUE

In any legal proceeding to collect outstanding balances due under this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees in addition to costs and outstanding balances due under this Agreement. Venue of any such action shall be exclusive in the state courts of the Second Judicial Circuit in and for Leon County, Florida.

VII. CONFLICTS

It is important to disclose that Kutak Rock represents a number of special districts, trustees ("Trustees"), bondholders, developers, builders, and other entities throughout Florida and the United States of America relating to community development districts, special districts, local governments and land development. Kutak Rock or its attorneys may also have represented the entity which petitioned for the formation of the Client. Kutak Rock understands that Client may enter into an agreement with a Trustee in connection with the issuance of bonds, and that Client may request that Kutak Rock simultaneously represent Client in connection with the issuance of bonds, while Kutak Rock is also representing such Trustee on unrelated matters. By accepting this Agreement Client agrees that (1) Client was provided with an explanation of the implications of the common representation(s) and the advantages and risks involved; (2) Kutak Rock will be able to provide competent and diligent representation of Client, regardless of Kutak Rock's other representations, and (3) there is not a substantial risk that Kutak Rock's representation of Client would be materially limited by Kutak Rock's responsibilities to another client, a former client or a third person or by a personal interest. Acceptance of this Agreement will constitute Client's waiver of any "conflict" with Kutak Rock's representation of various special districts, Trustees, bondholders, developers, builders, and other entities relating to community development districts, special districts, local governments and land development.

VIII. ACKNOWLEDGMENT

Client acknowledges that the Kutak Rock cannot make any promises to Client as to the outcome of any legal dispute or guarantee that Client will prevail in any legal dispute.

IX. TERMINATION

Either party may terminate this Agreement upon providing prior written notice to the other party at its regular place of business. All fees due and payable in accordance with this Agreement shall accrue and become payable pursuant to the terms of this Agreement through the date of termination.

X. EXECUTION OF AGREEMENT

This Agreement shall be deemed fully executed upon its signing by Kutak Rock and the Client. The contract formed between Kutak Rock and the Client shall be the operational contract between the parties.

XI. ENTIRE CONTRACT

This Agreement constitutes the entire agreement between the parties.

WHEREAS, the District intends to employ Engineer on an interim basis to perform engineering, surveying, planning, landscaping, construction administration, environmental management, and permitting, financial and economic studies, as defined by a separate work authorization or work authorizations; and

WHEREAS, Engineer shall serve as the District's professional representative in each service or project to which this Agreement applies and will give consultation and advice to the District during performance of its services.

Now, THEREFORE, for and in consideration of the mutual covenants herein contained, the acts and deeds to be performed by the parties and the payments by the District to Engineer of the sums of money herein specified, it is mutually covenanted and agreed as follows:

SECTION 1. RECITALS. The Recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

B. Assistance in meeting with necessary parties involving bond issues, special reports, feasibility studies, or other tasks;

C. Any other items requested by the Board.

SECTION 3. REPRESENTATIONS. Engineer hereby represents to the District that:

A. It has the experience and skill to perform the services required to be performed by this Agreement;

B. It shall design to and comply with limitation, professional registration and licensing requirements (both corporate and individual for all required basic disciplines) in effect during the term of this Agreement, and shall, if requested by the District, provide certification of compliance with all registration and licensing requirements;

C. It shall perform said services in accordance with generally accepted professional standards in the most expeditious and economical manner, and to the extent consistent with the best interests of the District; and

D. It is adequately financed to meet any financial obligations it may be required to incur under this Agreement.

SECTION 4. METHOD OF AUTHORIZATION. Each service or project shall be authorized in writing by the District ("Work Authorization"). Each Work Authorization shall include the scope of work, compensation, project schedule, and special provisions or conditions specific to the service or project being authorized. Authorization of services or projects under this Agreement shall be at the sole discretion of the District. Work Authorization Number 1 attached hereto as **Exhibit A**, and incorporated herein by this reference, is hereby *approved*.

SECTION 5. COMPENSATION. It is understood and agreed that the payment of compensation for services under this Agreement shall be stipulated in each Work Authorization. Services rendered by Engineer under this Agreement shall not exceed the amounts specifically authorized by each written Work Authorization. One of the following methods will be utilized:

Expenses of transportation and living when traveling in connection with a project, for long distance phone calls and telegrams, and fees paid for securing approval of authorities having jurisdiction over the project. All expenditures shall be made in accordance with Chapter 112, *Florida Statutes*, and in accordance with the District's travel reimbursement policy.

B. Expense of reproduction, postage, and handling of drawings and specifications.

SECTION 7. TERM OF AGREEMENT. It is understood and agreed that this Agreement is for interim engineering services. It is further understood and agreed that the term of this Agreement will be from the time of execution of this Agreement by the parties until such time as the District notifies Engineer that is has entered into a subsequent agreement for engineering services.

SECTION 8. SPECIAL CONSULTANTS. When authorized in writing by the District, additional special consulting services may be utilized by Engineer and paid for on a cost basis.

SECTION 9. BOOKS AND RECORDS. Engineer shall maintain comprehensive books and records relating to any services performed under this Agreement, which shall be retained by Engineer for a period of at least four (4) years from and after completion of any services hereunder. The District, or its authorized representative, shall have the right to audit such books and records at all reasonable times upon prior notice to Engineer.

SECTION 10. OWNERSHIP OF DOCUMENTS.

A. All rights in and title to all plans, drawings, specifications, ideas, concepts, designs, sketches, models, programs, software, creation, inventions, reports, or other tangible work product originally developed by Engineer pursuant to this Agreement ("Work Product") shall be and remain the sole and exclusive property of the District when developed and shall be considered work for hire.

B. Engineer shall deliver all Work Product to the District upon completion thereof unless it is necessary for Engineer in the District's sole discretion, to retain possession for a longer period of time. Upon early termination of Engineer's services hereunder, Engineer shall deliver all such Work Product whether complete or not. The District shall have all rights to use any and all Work Product. Engineer shall retain copies of the Work

Product for its permanent records, provided the Work Product is not used without the District's prior express written consent. Engineer agrees not to recreate any Work Product contemplated by this Agreement, or portions thereof, which if constructed or otherwise materialized, would be reasonably identifiable with the project.

C. The District exclusively retains all manufacturing rights to all materials or designs developed under this Agreement. To the extent the services performed under this Agreement produce or include copyrightable or patentable materials or designs, such materials or designs are work made for hire for the District as the author, creator, or inventor thereof upon creation, and the District shall have all rights therein including, without limitation, the right of reproduction, with respect to such work. Engineer hereby assigns to the District any and all rights Engineer may have including, without limitation, the copyright, with respect to such work. Engineer acknowledges that the District is the motivating factor for, and for the purpose of copyright or patent, has the right to direct and supervise the preparation of such copyrightable or patentable materials or designs.

SECTION 11. ACCOUNTING RECORDS. Records of Engineer pertaining to the services provided hereunder shall be kept on a basis of generally accepted accounting principles and shall be available to the District or its authorized representative for observation or audit at mutually agreeable times.

SECTION 12. REUSE OF DOCUMENTS. All documents including drawings and specifications furnished by Engineer pursuant to this Agreement are instruments of service. They are not intended or represented to be suitable for reuse by the District or others on extensions of the work for which they were provided or on any other project. Any reuse without specific written consent by Engineer will be at the District's sole risk and without liability or legal exposure to Engineer. All documents including drawings, plans and specifications furnished by Engineer to the District are subject to reuse in accordance with Section 287.055(10), *Florida Statutes*.

SECTION 13. ESTIMATE OF COST. Since Engineer has no control over the cost of labor, materials, or equipment or over a contractor's(s') methods of determining prices, or over competitive bidding or market conditions, its opinions of probable cost provided as a service hereunder are to be made on the basis of its experience and qualifications and represent its best judgment as a design professional familiar with the construction industry, but Engineer cannot and does not guarantee that proposals, bids, or the construction costs will not vary from opinions of probable cost prepared by it. If the District wishes greater assurance as to the construction costs, it shall employ an independent cost estimator at its own expense. Services to modify approved documents to bring the construction cost within any limitation established by the District will be considered additional services and justify additional fees.

Workers' Compensation	Statutory
General Liability	
Bodily Injury	\$1,000,000/\$2,000,000

Automobile Liability	Combined Single Limit \$1,000,000
Bodily Injury / Property Damage	
Professional Liability for	
Errors and Omissions	\$1,000,000

If any such policy of insurance is a "claims made" policy, and not an "occurrence" policy, Engineer shall, without interruption, and at the District's option, maintain the insurance for at least five (5) years after the one year anniversary of this Agreement.

The District, its officers, supervisors, agents, staff, and representatives shall be named as additional insured parties, except with respect to the Worker's Compensation Insurance and the Professional Liability for Errors and Omissions Insurance both for which only proof of insurance shall be provided. Engineer shall furnish the District with the Certificate of Insurance evidencing compliance with the requirements of this Section. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the state of Florida.

If Engineer fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, Engineer shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

SECTION 15. CONTINGENT FEE. Engineer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Engineer, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for Engineer, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

SECTION 16. COMPLIANCE WITH GOVERNMENTAL REGULATIONS. In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees

or anyone directly or indirectly employed by Engineer, shall comply with all applicable laws, ordinances, rules, regulations, and orders of any public or governmental authority having appropriate jurisdiction. If Engineer fails to notify the District in writing within five (5) days of the receipt of any notice, order, required to comply notice, or a report of a violation of an alleged violation, made by any local, State or Federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any action of Engineer or any of its agents, servants, or employees, or fails to comply with any requirement of such agency within five (5) days after receipt of any such notice, order request to comply notice, or report of a violation or an alleged violation, the District may terminate this Agreement, such termination to be effective upon the giving of notice of termination.

SECTION 17. COMPLIANCE WITH PROFESSIONAL STANDARDS. In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees, or anyone directly or indirectly employed by Engineer, shall maintain the highest standard of care, skill, diligence, and professional competency for such work and/or services. Any designs, drawings, reports, or specifications prepared or furnished by Engineer that contain errors, conflicts, or omissions will be promptly corrected by Engineer at no cost to the District.

SECTION 18. AUDIT. Engineer agrees that the District or any of its duly authorized representatives shall, until the expiration of four (4) years after expenditure of funds under this Agreement, have access to and the right to examine any books, documents, papers, and records of Engineer involving transactions related to this Agreement. Engineer agrees that payment made under this Agreement shall be subject to reduction for amounts charged thereto that are found on the basis of audit examination not to constitute allowable costs. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three (3) years after completion of all work under this Agreement.

SECTION 19. INDEMNIFICATION. Engineer agrees to indemnify, defend, and hold the District and the District's officers and employees harmless from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, which may come against the District and the District's officers and employees, to the extent caused wholly or in part by negligent, reckless, or intentionally wrongful acts, omissions, or defaults by Engineer or persons employed or utilized by Engineer the course of any work done under this Agreement. To the extent a limitation on liability is required by Section 725.06 of the Florida Statutes or other applicable law, liability under this section shall in no event exceed the greater of the insurance limits set forth herein or Two Million Dollars (\$2,000,000). Engineer agrees such limitation bears a reasonable commercial relationship to the contract and was part of the project specifications or bid documents.

PURSUANT TO FLORIDA STATUTES SECTION 558.0035 (2018), AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE.

PUBLIC RECORDS. Engineer understands and agrees that all documents of SECTION 20. any kind provided to the District in connection with this Agreement may be public records, and, accordingly, Engineer agrees to comply with all applicable provisions of Florida law in handling such records, including, but not limited, to Section 119.0701, Florida Statutes. Among other requirements and to the extent applicable by law, Engineer shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, hereinafter defined, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of this Agreement term and following this Agreement term if Engineer does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of this Agreement, transfer to the District, at no cost, all public records in Engineer's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. Rule 1.2 District Offices; Public Information and Inspection of Records; Policies; Service Contract Requirements; Financial Disclosure Coordination.

- (1) <u>District Offices.</u> Unless otherwise designated by the Board, the official District office shall be the District Manager's office identified by the District Manager. If the District Manager's office is not located within the county in which the District is located, the Board shall designate a local records office within such county which shall at a minimum contain, but not be limited to, the following documents:
 - (a) Agenda packages for prior 24 months and next meeting;

 - (c) Names and addresses of current Board members and District Manager, unless such addresses are protected from disclosure by law;
 - (d) Adopted engineer's reports;

 - (g) Limited Offering Memorandum for each financing undertaken by the District;
 - (h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;
 - (i) District policies and rules;
 - (j) Fiscal year end audits; and
 - (k) Adopted budget for the current fiscal year.

The District Manager shall ensure that each District records office contains the documents required by Florida law.

(2) <u>Public Records.</u> District public records include all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received in connection with the transaction of official business of the District. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules is appointed as the

District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

- (3) <u>Service Contracts.</u> Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.
- Fees; Copies. Copies of public records shall be made available to the requesting (4)person at a charge of \$0.15 per page for one-sided copies and \$0.20 per page for two-sided copies if not more than $8\frac{1}{2}$ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar (\$1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are gualified to perform the labor, taking into account the nature or volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "extensive" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars (\$25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce the requested records. After the request has been fulfilled, additional payments or credits may be

due. The District is under no duty to produce records in response to future records requests if the person making the request owes the District for past unpaid duplication charges, special service charges, or other required payments or credits.

- (5) <u>Records Retention</u>. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.
- (6) <u>Policies.</u> The Board may adopt policies related to the conduct of its business and the provision of services either by resolution or motion.
- (7) <u>Financial Disclosure Coordination.</u> Unless specifically designated by Board resolution otherwise, the Secretary shall serve as the Financial Disclosure Coordinator ("Coordinator") for the District as required by the Florida Commission on Ethics ("Commission"). The Coordinator shall create, maintain and update a list of the names, e-mail addresses, physical addresses, and names of the agency of, and the office or position held by, all Supervisors and other persons required by Florida law to file a statement of financial interest due to his or her affiliation with the District ("Reporting Individual"). The Coordinator shall provide this list to the Commission by February 1 of each year, which list shall be current as of December 31 of the prior year. Each Supervisor and Reporting Individual shall promptly notify the Coordinator in writing if there are any changes to such person's name, e-mail address, or physical address. Each Supervisor and Reporting Individual shall promptly notify the Commission in the manner prescribed by the Commission if there are any changes to such person's e-mail address.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat. Law Implemented: §§ 112.31446(3), 112.3145(8)(a)1., 119.07, 119.0701, 190.006, Fla. Stat.

Rule 1.3 Public Meetings, Hearings, and Workshops.

- Notice. Except in emergencies, or as otherwise required by statute or these Rules, (1)at least seven (7) days, but no more than thirty (30) days public notice shall be given of any public meeting, hearing or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation in the District and in the county in which the District is located. "General circulation" means a publication that is printed and published at least once a week for the preceding year, offering at least 25% of its words in the English language, qualifies as a periodicals material for postal purposes in the county in which the District is located, is for sale to the public generally, is available to the public generally for the publication of official or other notices, and is customarily containing information of a public character or of interest or of value to the residents or owners of property in the county where published, or of interest or of value to the general public. The annual meeting notice required to be published by Section 189.015 of the Florida Statutes, shall be published in a newspaper not of limited subject matter, which is published at least five days a week, unless the only newspaper in the county is published less than five days a week. Each Notice shall state, as applicable:
 - (a) The date, time and place of the meeting, hearing or workshop;
 - (b) A brief description of the nature, subjects, and purposes of the meeting, hearing, or workshop;
 - (c) The District office address for the submission of requests for copies of the agenda, as well as a contact name and telephone number for verbal requests for copies of the agenda; and
 - (d) The following or substantially similar language: "Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting/hearing/workshop is asked to advise the District Office at least forty-eight (48) hours before the meeting/hearing/workshop by contacting the District Manager at (904) 940-5850. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770 or 1 (800) 955-8771, who can aid you in contacting the District Office."
 - (e) The following or substantially similar language: "A person who decides to appeal any decision made at the meeting/hearing/workshop with respect to any matter considered at the meeting/hearing/workshop is advised that person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made including the testimony and evidence upon which the appeal is to be based."

- (f) The following or substantially similar language: "The meeting [or hearing or workshop] may be continued in progress without additional notice to a time, date, and location stated on the record."
- (2) <u>Mistake.</u> In the event that a meeting is held under the incorrect assumption that notice required by law and these Rules has been given, the Board at its next properly noticed meeting shall cure such defect by considering the agenda items from the prior meeting individually and anew.
- (3) Agenda. The District Manager, under the guidance of District Counsel and the Vice-Chairperson, shall Chairperson or prepare an agenda of the meeting/hearing/workshop. The agenda and any meeting materials available in an electronic format, excluding any confidential and any confidential and exempt information, shall be available to the public at least seven days before the meeting/hearing/workshop, except in an emergency. Meeting materials shall be defined as, and limited to, the agenda, meeting minutes, resolutions, and agreements of the District that District staff deems necessary for Board approval. Inclusion of additional materials for Board consideration other than those defined herein as "meeting materials" shall not convert such materials into "meeting materials." For good cause, the agenda may be changed after it is first made available for distribution, and additional materials may be added or provided under separate cover at the meeting. The requirement of good cause shall be liberally construed to allow the District to efficiently conduct business and to avoid the expenses associated with special meetings.

The District may, but is not required to, use the following format in preparing its agenda for its regular meetings:

Rule 2.0 Rulemaking Proceedings.

Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District. A "rule" is a District statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedure or practice requirements of the District ("Rule"). Nothing herein shall be construed as requiring the District to consider or adopt rules unless required by Chapter 190 of the Florida Statutes. Policies adopted by the District which do not consist of rates, fees, rentals or other monetary charges may be, but are not required to be, implemented through rulemaking proceedings.
- (2) <u>Notice of Rule Development.</u>
 - (a) Except when the intended action is the repeal of a Rule, the District shall provide notice of the development of a proposed rule by publication of a Notice of Rule Development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by section (3) of this Rule. Consequently, the Notice of Rule Development shall be published at least twenty-nine (29) days prior to the public hearing on the proposed Rule. The Notice of Rule Development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and include a statement of how a person may promptly obtain, without cost, a copy of any preliminary draft, if available.
 - (b) All rules as drafted shall be consistent with Sections 120.54(1)(g) and 120.54(2)(b) of the Florida Statutes.
- (3) Notice of Proceedings and Proposed Rules.
 - (a) Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action, a reference to the specific rulemaking authority pursuant to which the rule is adopted, and a reference to the section or subsection of the Florida Statutes being implemented, interpreted, or made specific. The notice shall include a summary of the District's statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2) of the Florida Statutes, and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within twenty-one (21) days after publication of the notice. The notice shall additionally include a statement that any affected person may request a public hearing by submitting a written request within twenty-one (21) days after the date

of publication of the notice. Except when intended action is the repeal of a rule, the notice shall include a reference to both the date on which and the place where the Notice of Rule Development required by section (2) of this Rule appeared.

- (b) The notice shall be published in a newspaper of general circulation in the District and each county in which the District is located not less than twenty-eight (28) days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.
- (c) The notice shall be mailed to all persons named in the proposed rule and to all persons who, at least fourteen (14) days prior to such mailing, have made requests of the District for advance notice of its rulemaking proceedings. The District may initiate a rule development workshop but is not required to do so.
- (5) <u>Petitions to Initiate Rulemaking.</u> All Petitions to Initiate Rulemaking proceedings must contain the name, address, and telephone number of the petitioner, the specific action requested, the specific reason for adoption, amendment, or repeal, the date submitted, the text of the proposed rule, and the facts showing that the petitioner is regulated by the District or has a substantial interest in the rulemaking. Not later than sixty (60) calendar days following the date of filing a petition, the Board shall initiate rulemaking proceedings or deny the petition with a written statement of its reasons for the denial. If the petition is directed to an existing policy that the District has not formally adopted as a rule, the District may, in its discretion, notice and hold a public hearing on the petition to consider the comments of the public directed to the policy, its scope and application, and to consider whether the public interest is served adequately by the application of the policy on a case-by-case basis, as contrasted with its formal adoption as a rule. However, this section shall not be construed as requiring the District to adopt a rule to replace a policy.
- (6) <u>Rulemaking Materials.</u> After the publication of the notice referenced in section (3) of this Rule, the Board shall make available for public inspection and shall provide, upon request and payment of the cost of copies, the following materials:

- (7) <u>Hearing.</u> The District may, or, upon the written request of any affected person received within twenty-one (21) days after the date of publication of the notice described in section (3) of this Rule, shall, provide a public hearing for the presentation of evidence, argument, and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay, or disruption of the proceedings. The District shall publish notice of the public hearing in a newspaper of general circulation within the District either in the text of the notice described in section (3) of this Rule or in a separate publication at least seven (7) days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing. All timely submitted written statements shall be considered by the District and made part of the rulemaking record.
- (8) <u>Emergency Rule Adoption.</u> The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the District. Notice of emergency rules shall be published as soon as possible in a newspaper of general circulation in the District. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions.
- (9) <u>Negotiated Rulemaking</u>. The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54(2)(d) of the Florida Statutes, except that any notices required under Section 120.54(2)(d) of the Florida Statutes, may be published in a newspaper of general circulation in the county in which the District is located.
- (10) <u>Rulemaking Record.</u> In all rulemaking proceedings, the District shall compile and maintain a rulemaking record. The record shall include, if applicable:
 - (a) The texts of the proposed rule and the adopted rule;

 - (a) Any person substantially affected by a rule may seek an administrative determination of the invalidity of the rule on the ground that the rule is an invalid exercise of the District's authority.
 - (b) The petition seeking an administrative determination must state with particularity the provisions alleged to be invalid with sufficient explanation of the facts or grounds for the alleged invalidity and facts sufficient to show that the person challenging a rule is substantially affected by it.
 - (c) The petition shall be filed with the District. Within 10 days after receiving the petition, the Chairperson shall, if the petition complies with the requirements of subsection (b) of this section, designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer who shall conduct a hearing within 30 days thereafter, unless the petition is withdrawn or a continuance is granted by agreement of the parties. The failure of the District to follow the applicable rulemaking procedures or requirements in this Rule shall be presumed to be material; however, the District may rebut this presumption by showing that the substantial interests of the petitioner and the fairness of the proceedings have not been impaired.
 - (d) Within 30 days after the hearing, the hearing officer shall render a decision and state the reasons therefor in writing.
 - (e) Hearings held under this section shall be de novo in nature. The petitioner has a burden of proving by a preponderance of the evidence that the existing rule is an invalid exercise of District authority as to the objections raised. The hearing officer may:
 - (i) Administer oaths and affirmations;
 - (ii) Rule upon offers of proof and receive relevant evidence;

- (iii) Regulate the course of the hearing, including any pre-hearing matters;

A "waiver" means a decision by the District not to apply all or part of a rule to a person who is subject to the rule. Variances and waivers from District rules may be granted subject to the following:
 - (a) Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person, and when application of the rule would create a substantial hardship or would violate principles of fairness. For purposes of this section, "substantial hardship" means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, "principles of fairness" are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.
 - (b) A person who is subject to regulation by a District Rule may file a petition with the District, requesting a variance or waiver from the District's Rule. Each petition shall specify:
 - (i) The rule from which a variance or waiver is requested;
 - (ii) The type of action requested;
 - (iii) The specific facts that would justify a waiver or variance for the petitioner; and
 - (iv) The reason why the variance or the waiver requested would serve the purposes of the underlying statute.
 - (c) The District shall review the petition and may request only that information needed to clarify the petition or to answer new questions raised by or directly related to the petition. If the petitioner asserts that any request for additional information is not authorized by law or by Rule of the District,

the District shall proceed, at the petitioner's written request, to process the petition.

- (d) The Board shall grant or deny a petition for variance or waiver and shall announce such disposition at a publicly held meeting of the Board, within ninety (90) days after receipt of the original petition, the last item of timely requested additional material, or the petitioner's written request to finish processing the petition. The District's statement granting or denying the petition shall contain a statement of the relevant facts and reasons supporting the District's action.
- (13) <u>Rates, Fees, Rentals and Other Charges.</u> All rates, fees, rentals, or other charges shall be subject to rulemaking proceedings. Policies adopted by the District which do not consist of rates, fees, rentals or other charges may be, but are not required to be, implemented through rulemaking proceedings.

 - (vi) The recent, current, and projected workloads of each consultant; and
 - (vii) The volume of work previously awarded to each consultant by the District.
 - (b) Nothing in these Rules shall prevent the District from evaluating and eventually selecting a consultant if less than three (3) Responsive qualification packages, including packages indicating a desire not to provide Professional Services on a given Project, are received.
 - (c) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.
 - (d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all consultants

by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

- (5) <u>Competitive Negotiation.</u>
 - (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.
 - (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
 - (c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
 - (d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
- (6) <u>Contracts; Public Records.</u> In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

- (7) <u>Continuing Contract.</u> Nothing in this Rule shall prohibit a Continuing Contract between a consultant and the District.
- (8) <u>Emergency Purchase.</u> The District may make an Emergency Purchase without complying with these Rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.2 Procedure Regarding Auditor Selection.

In order to comply with the requirements of Section 218.391 of the Florida Statutes, the following procedures are outlined for selection of firms or individuals to provide Auditing Services and for the negotiation of such contracts. For audits required under Chapter 190 of the Florida Statutes but not meeting the thresholds of Chapter 218 of the Florida Statutes, the District need not follow these procedures but may proceed with the selection of a firm or individual to provide Auditing Services and for the negotiation of such contracts in the manner the Board determines is in the best interests of the District.

- (1) <u>Definitions.</u>
 - (a) "Auditing Services" means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.
 - (b) "Committee" means the auditor selection committee appointed by the Board as described in section (2) of this Rule.
- (2) <u>Establishment of Auditor Selection Committee.</u> Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Board shall establish an auditor selection committee ("Committee"), the primary purpose of which is to assist the Board in selecting an auditor to conduct the annual financial audit required by Section 218.39 of the Florida Statutes. The Committee shall include at least three individuals, at least one of which must also be a member of the Board. The establishment and selection of the Committee must be conducted at a publicly noticed and held meeting of the Board. The Chairperson of the Committee must be a member of the Board. An employee, a chief executive officer, or a chief financial officer of the District may not serve as a member of the Committee; provided however such individual may serve the Committee in an advisory capacity.
- (3) <u>Establishment of Minimum Qualifications and Evaluation Criteria.</u> Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Committee shall meet at a publicly noticed meeting to establish minimum qualifications and factors to use for the evaluation of Auditing Services to be provided by a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.
 - (a) <u>Minimum Qualifications.</u> In order to be eligible to submit a proposal, a firm must, at all relevant times including the time of receipt of the proposal by the District:

- (i) Hold all required applicable state professional licenses in good standing;
- (ii) Hold all required applicable federal licenses in good standing, if any;
- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation; and
- (iv) Meet any pre-qualification requirements established by the Committee and set forth in the RFP or other specifications.

If requested in the RFP or other specifications, evidence of compliance with the minimum qualifications as established by the Committee must be submitted with the proposal.

- (b) Evaluation Criteria. The factors established for the evaluation of Auditing Services by the Committee shall include, but are not limited to:
 - (i) Ability of personnel;
 - (ii) Experience;
 - (iii) Ability to furnish the required services; and
 - (iv) Such other factors as may be determined by the Committee to be applicable to its particular requirements.

The Committee may also choose to consider compensation as a factor. If the Committee establishes compensation as one of the factors, compensation shall not be the sole or predominant factor used to evaluate proposals.

- (4) <u>Public Announcement.</u> After identifying the factors to be used in evaluating the proposals for Auditing Services as set forth in section (3) of this Rule, the Committee shall publicly announce the opportunity to provide Auditing Services. Such public announcement shall include a brief description of the audit and how interested firms can apply for consideration and obtain the RFP. The notice shall appear in at least one (1) newspaper of general circulation in the District and the county in which the District is located. The public announcement shall allow for at least seven (7) days for the submission of proposals.
- (5) <u>Request for Proposals.</u> The Committee shall provide interested firms with a Request for Proposals ("RFP"). The RFP shall provide information on how proposals are to be evaluated and such other information the Committee determines

is necessary for the firm to prepare a proposal. The RFP shall state the time and place for submitting proposals.

(6) <u>Committee's Evaluation of Proposals and Recommendation.</u> The Committee shall meet at a publicly held meeting that is publicly noticed for a reasonable time in advance of the meeting to evaluate all qualified proposals and may, as part of the evaluation, require that each interested firm provide a public presentation where the Committee may conduct discussions with the firm, and where the firm may present information, regarding the firm's qualifications. At the public meeting, the Committee shall rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to subsection (3)(b) of this Rule. If fewer than three firms respond to the RFP or if no firms respond to the RFP, the Committee shall recommend such firm as it deems to be the most highly qualified. Notwithstanding the foregoing, the Committee may recommend that any and all proposals be rejected.

(7) <u>Board Selection of Auditor.</u>

- (a) Where compensation was not selected as a factor used in evaluating the proposals, the Board shall negotiate with the firm ranked first and inquire of that firm as to the basis of compensation. If the Board is unable to negotiate a satisfactory agreement with the first ranked firm at a price deemed by the Board to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the Board shall immediately begin negotiations with the second ranked firm. If a satisfactory agreement with the second ranked firm cannot be reached, those negotiations shall be terminated and negotiations with the third ranked firm shall be undertaken. The Board may reopen formal negotiations with any one of the three top-ranked firms, but it may not negotiate with more than one firm at a time. If the Board is unable to negotiate a satisfactory agreement with any of the selected firms, the Committee shall recommend additional firms in order of the firms' respective competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
- (b) Where compensation was selected as a factor used in evaluating the proposals, the Board shall select the highest-ranked qualified firm or document in its public records the reason for not selecting the highest-ranked qualified firm.
- (c) In negotiations with firms under this Rule, the Board may allow the District Manager, District Counsel, or other designee to conduct negotiations on its behalf.

- (d) Notwithstanding the foregoing, the Board may reject any or all proposals. The Board shall not consider any proposal, or enter into any contract for Auditing Services, unless the proposed agreed-upon compensation is reasonable to satisfy the requirements of Section 218.39 of the Florida Statutes, and the needs of the District.
- (8) <u>Contract.</u> Any agreement reached under this Rule shall be evidenced by a written contract, which may take the form of an engagement letter signed and executed by both parties. The written contract shall include all provisions and conditions of the procurement of such services and shall include, at a minimum, the following:
 - (a) A provision specifying the services to be provided and fees or other compensation for such services;
 - (b) A provision requiring that invoices for fees or other compensation be submitted in sufficient detail to demonstrate compliance with the terms of the contract;
 - (c) A provision setting forth deadlines for the auditor to submit a preliminary draft audit report to the District for review and to submit a final audit report no later than June 30 of the fiscal year that follows the fiscal year for which the audit is being conducted;
 - (d) A provision specifying the contract period, including renewals, and conditions under which the contract may be terminated or renewed. The maximum contract period including renewals shall be five (5) years. A renewal may be done without the use of the auditor selection procedures provided in this Rule but must be in writing.
 - (e) Provisions required by law that require the auditor to comply with public records laws.
- (9) <u>Notice of Award.</u> Once a negotiated agreement with a firm or individual is reached, or the Board authorizes the execution of an agreement with a firm where compensation was a factor in the evaluation of proposals, notice of the intent to award, including the rejection of some or all proposals, shall be provided in writing to all proposers by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests regarding the award of contracts under this Rule shall be as provided for in Rule 3.11. No proposer shall be entitled to recover any costs of proposal preparation or submittal from the District.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat. Law Implemented: §§ 119.0701, 218.33, 218.391, Fla. Stat.

Rule 3.3 Purchase of Insurance.

- (1) <u>Scope.</u> The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.
- (2) <u>Procedure.</u> For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the District. The notice shall allow at least fourteen (14) days for submittal of bids.
 - (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.
 - (d) Bids shall be opened at the time and place noted in the Invitation to Bid.
 - (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.
 - (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, and the ability of the company to guarantee premium stability may be considered. A contract to purchase insurance

shall be awarded to that company whose response to the Invitation to Bid best meets the overall needs of the District, its officers, employees, and/or dependents.

(h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat. Law Implemented: § 112.08, Fla. Stat.

Rule 3.4 Pre-qualification

- (1) <u>Scope.</u> In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) <u>Procedure.</u> When the District seeks to pre-qualify vendors, the following procedures shall apply:
 - (a) The Board shall cause to be prepared a Request for Qualifications.
 - (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed prequalification criteria and procedures and allow at least seven (7) days notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.
 - (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars (\$250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars (\$250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars (\$500,000).
 - (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.
 - (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or responses in response to the applicable Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

- (f) In order to be eligible to submit qualifications, a firm or individual must, at the time of receipt of the qualifications:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

- (g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.
- (h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.
- (i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.

(j) Notice of intent to pre-qualify, including rejection of some or all qualifications, shall be provided in writing to all vendors by United States Mail, electronic mail, hand delivery, facsimile, or overnight delivery service. The notice

shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's pre-qualification decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11; provided however, protests related to the pre-qualification criteria and procedures for construction services shall be resolved in accordance with section (2)(b) of this Rule and Section 255.20(1)(b) of the Florida Statutes.

(3) <u>Suspension, Revocation, or Denial of Qualification</u>

- (a) The District, for good cause, may deny, suspend, or revoke a prequalified vendor's pre-qualified status. A suspension, revocation, or denial for good cause shall prohibit the vendor from bidding on any District construction contract for which qualification is required, shall constitute a determination of non-responsibility to bid on any other District construction or maintenance contract, and shall prohibit the vendor from acting as a material supplier or subcontractor on any District contract or project during the period of suspension, revocation, or denial. Good cause shall include the following:
 - i. One of the circumstances specified under Section 337.16(2), Fla. Stat., has occurred.
 - ii. Affiliated contractors submitted more than one proposal for the same work. In this event the pre-qualified status of all of the affiliated bidders will be revoked, suspended, or denied. All bids of affiliated bidders will be rejected.
 - iii. The vendor made or submitted false, deceptive, or fraudulent statements, certifications, or materials in any claim for payment or any information required by any District contract.
 - iv. The vendor or its affiliate defaulted on any contract or a contract surety assumed control of financial responsibility for any contract of the vendor.
 - v. The vendor's qualification to bid is suspended, revoked, or denied by any other public or semi-public entity, or the vendor has been the subject of a civil enforcement proceeding or settlement involving a public or semi-public entity.
 - vi. The vendor failed to comply with contract or warranty requirements or failed to follow District direction in the performance of a contract.
 - vii. The vendor failed to timely furnish all contract documents required by the contract specifications, special provisions, or by any state or federal statutes or regulations. If the vendor fails to furnish any of the subject contract documents by the expiration of the period of suspension,

revocation, or denial set forth above, the vendor's pre-qualified status shall remain suspended, revoked, or denied until the documents are furnished.

- viii. The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.
 - ix. The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.
 - x. The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.
 - xi. An affiliate of the vendor has previously been determined by the District to be non-responsible, and the specified period of suspension, revocation, denial, or non-responsibility remains in effect.
- xii. The vendor or affiliate(s) has been convicted of a contract crime.
 - 1. The term "contract crime" means any violation of state or federal antitrust laws with respect to a public contract or any violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract.
 - 2. The term "convicted" or "conviction" means a finding of guilt or a conviction of a contract crime, with or without an adjudication of guilt, in any federal or state trial court of record as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
- (b) A denial, suspension, or revocation shall prohibit the vendor from being a subcontractor on District work during the period of denial, suspension, or revocation, except when a prime contractor's bid has used prices of a subcontractor who becomes disqualified after the bid, but before the request for authorization to sublet is presented.
- (c) The District shall inform the vendor in writing of its intent to deny, suspend, or revoke its pre-qualified status and inform the vendor of its right to a hearing, the procedure which must be followed, and the applicable time limits. If a hearing is requested within 10 days after the receipt of the notice of intent, the

hearing shall be held within 30 days after receipt by the District of the request for the hearing. The decision shall be issued within 15 days after the hearing.

- (d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.
- (e) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Examples of factors affecting the seriousness of a deficiency are:

- i. Impacts on project schedule, cost, or quality of work;
- ii. Unsafe conditions allowed to exist;
- iii. Complaints from the public;
- iv. Delay or interference with the bidding process;
- v. The potential for repetition;
- vi. Integrity of the public contracting process;
- vii. Effect on the health, safety, and welfare of the public.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat. Law Implemented: §§ 190.033, 255.0525, 255.20, Fla. Stat.

Rule 3.5 Construction Contracts, Not Design-Build.

- (1) <u>Scope.</u> All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190 of the Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20 of the Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and the procedures of Section 255.20 of the Florida Statutes, as the same may be amended from time to time. A project shall not be divided solely to avoid the threshold bidding requirements.
- (2) <u>Procedure.</u> When a purchase of construction services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - Notice of the Invitation to Bid, Request for Proposals, Invitation to (b) Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation in the District and in the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, proposals, replies, or responses, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of bids, proposals, replies, or responses. If the Board has previously pre-qualified contractors pursuant to Rule 3.4 and determined that only the contractors that have been pre-qualified will be permitted to submit bids, proposals, replies, and responses, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation need not be published. Instead, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be sent to the pre-qualified contractors by United States Mail, hand delivery, facsimile, or overnight delivery service.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

- (d) If the District has pre-qualified providers of construction services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses to Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations.
- (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the bidder is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to, reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

(f) Bids, proposals, replies, and responses, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and these Rules. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

- (g) The lowest Responsive Bid submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No contractor shall be entitled to recover any costs of bid, proposal, response, or reply preparation or submittal from the District.
- (i) The Board may require potential contractors to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses, shall be provided in writing to all contractors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of construction services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may

proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.

- (3) <u>Sole Source; Government.</u> Construction services that are only available from a single source are exempt from this Rule. Construction services provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of construction services, which may include goods, supplies, or materials, that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules. A contract for construction services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
- (4) <u>Contracts; Public Records.</u> In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (5) <u>Emergency Purchases.</u> The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board Meeting.
- (6) <u>Exceptions.</u> This Rule is inapplicable when:

- (4) <u>Exemption.</u> Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.

ACREE COMMUNITY DEVELOPMENT DISTRICT FISCAL YEAR 2022/2023 BUDGET FUNDING AGREEMENT

This Agreement (the "Agreement") is made and entered into this 14th day of June, 2023, by and between:

Acree Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, and located in the City of Jacksonville, Florida, with a mailing address of 475 West Town Place, Suite 114, St. Augustine, Florida 32092, (the "District"); and

Acree JV, LLC, a Florida limited liability company and the developer of the lands in the District ("Developer") with a mailing address of 1819 Goodwin Street, Jacksonville, Florida 32204.

Recitals

WHEREAS, the District was established by an ordinance adopted by the City of Jacksonville, Florida, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure; and

WHEREAS, the District, pursuant to Chapter 190, Florida Statutes, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, Developer presently is developing the majority of all real property ("Property") within the District, which Property will benefit from the timely construction and acquisition of the District's facilities, activities and services and from the continued operations of the District; and

WHEREAS, the District is adopting its general fund budget for Fiscal Year 2022/2023, which year commenced on January 25, 2023, and concludes on September 30, 2023 (the "FY 2023 Budget"); and

WHEREAS, the FY 2023 Budget, which both parties recognize may be amended from time to time in the sole discretion of the District, is attached hereto and incorporated herein by reference as **Exhibit A**; and

WHEREAS, the District has the option of levying non-ad valorem assessments on all land, including the Property owned by the Developer, that will benefit from the activities, operations and services set forth in the FY 2023 Budget, or utilizing such other revenue sources as may be available to it; and

WHEREAS, in lieu of levying assessments on the Property, the Developer is willing to provide such funds as are necessary to allow the District to proceed with its operations as described in Exhibit A; and

WHEREAS, the Developer agrees that the activities, operations and services provide a special and peculiar benefit equal to or in excess of the costs reflected on Exhibit A to the Property; and

WHEREAS, the Developer has agreed to enter into this Agreement in lieu of having the District levy and collect any non-ad valorem assessments as authorized by law against the Property located within the District for the activities, operations and services set forth in Exhibit A;

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. The Developer agrees to make available to the District the monies necessary for the operation of the District, as called for in the FY 2023 Budget attached hereto as **Exhibit A**, within fifteen (15) days of written request by the District. Amendments to the FY 2023 Budget as shown on **Exhibit A** adopted by the District at a duly noticed meeting shall have the effect of amending this Agreement without further action of the parties. Funds provided hereunder shall be placed in the District's general checking account. In no way shall the foregoing in any way affect the District's ability to levy special assessments upon the property within the District, including the Property, in accordance with Florida law, to provide funds for any unfunded expenditures whether such expenditures are the result of an amendment to the District's FY 2023 Budget or otherwise. These payments are made by Developer in lieu of operation and maintenance assessments which might otherwise be levied or imposed by the District.

SECTION 2. The District shall have the right to file a continuing lien (the "Lien") upon the Property described in Exhibit B for all payments due and owing under the terms of this Agreement and for interest thereon, and for reasonable attorneys' fees, paralegals' fees, expenses and court costs incurred by the District incident to the collection of funds under this Agreement or for enforcement of this Lien, and all sums advanced and paid by the District for taxes and payment on account of superior interests, liens and encumbrances in order to preserve and protect the District's Lien. The Lien shall be effective as of the date and time of the recording of a "Notice of Lien for the FY 2023 Budget" in the public records of Duval County, Florida, stating among other things, the description of the real property and the amount due as of the recording of the Notice, and the existence of this Agreement. The District Manager, in its sole discretion, is hereby authorized by the District to file the Notice of Lien for the FY 2023 Budget on behalf of the District, without the need of further Board action authorizing or directing such filing. At the District Manager's direction, the District may also bring an action at law against the record title holders to the Property to pay the amount due under this Agreement, or may foreclose the Lien against the Property in any manner authorized by law. The District may partially release any filed

Lien for portions of the Property subject to a plat if and when the Developers have demonstrated, in the District's sole discretion, such release will not materially impair the ability of the District to enforce the collection of funds hereunder. In the event the Developers sell any of the Property described in **Exhibit B** after the execution of this Agreement, the Developers' rights and obligations under this Agreement shall remain the same, provided however that the District shall only have the right to file a Lien upon the remaining Property owned by the Developers.

SECTION 3. In the event Developer fails to make payments as and when due to the District pursuant to this Agreement, the District shall have the following remedies, in addition to other remedies available at law and equity:

A. At the Board's direction, the District may bring an action at law against the record title holder to the Property to pay the amount due under this Agreement, or may foreclose the Lien against the Property in any manner authorized by law. The District may enforce the collection of funds due under this Agreement by action against Developer in the appropriate judicial forum in and for Duval County, Florida. The enforcement of the collection of funds in this manner shall be in the sole discretion of the District Manager on behalf of the District.

B. The District hereby finds that the activities, operations and services set out in **Exhibit A** provide a special and peculiar benefit to the Property, which benefit is initially allocated on an equal developable acreage basis. Developer agrees that the activities, operations and services set forth in **Exhibit A** provide a special and peculiar benefit to the Property equal to or in excess of the costs set out in **Exhibit A**, on an equal developable acreage basis. Therefore, in the alternative, or in addition to the other methods of collection set forth in this Agreement, the District, in its sole discretion, may choose to certify amounts due hereunder as a non ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197 or under any method of direct bill and collection authorized by Florida law. Such assessment, if imposed, may be certified on the next available tax roll of the Duval County property appraiser. Developer hereby waives and/or relinquishes any rights it may have to challenge or object to such assessments if imposed, as well as the means of collection thereof.

SECTION 4. This instrument shall constitute the final and complete expression of the agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

SECTION 5. The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

SECTION 6. This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld. In the

event that Developer sells or otherwise disposes of its business or of all or substantially all of its assets relating to the lands within the District, including the Property, Developer will expressly require that the purchaser agree to be bound by the terms of this Agreement. In the event of such sale or disposition, Developer may place into escrow an amount equal to the then unfunded portion of the adopted FY 2023 Budget to fund any budgeted expenses that may arise during the remainder of the fiscal year and provide the District evidence of assignment of this Agreement to the purchaser. Upon confirmation of the deposit of said funds into escrow, and evidence of such assignment to, and assumption by the purchaser, the Developer's obligation under this Agreement shall be deemed fulfilled and this Agreement terminated with respect to Developer's obligations. The parties hereto recognize that Developer is responsible for expenditures of the District in the FY 2023 Budget and that expenditures approved by the Board may exceed the amount adopted in the FY 2023 Budget. Developer shall notify the District in writing ninety (90) days prior to an anticipated sale or disposition of all or substantially all of the Property.

SECTION 7. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance and specifically including the ability of the District to enforce any and all payment obligations under this Agreement in the manner described in Paragraph 3 above.

SECTION 8. This Agreement is solely for the benefit of the parties hereto and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any person or entity not a party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns subject to the terms of Paragraph 6 above.

SECTION 9. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Venue shall be in Duval County, Florida.

SECTION 10. This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

SECTION 11. The Agreement shall be effective after execution by both parties hereto. The enforcement provisions of this Agreement shall survive its termination, until all payments due under this Agreement are paid in full.

SECTION 12. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the substantially prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees and costs for trial, alternative dispute resolution, or appellate proceedings.

IN WITNESS WHEREOF, the parties execute this Agreement the day and year first written above.

RESOLUTION 2023-14

A RESOLUTION SETTING FORTH THE POLICY OF THE ACREE COMMUNITY DEVELOPMENT DISTRICT BOARD OF SUPERVISORS WITH REGARD TO THE SUPPORT AND LEGAL DEFENSE OF THE BOARD OF SUPERVISORS, OFFICERS AND STAFF; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors ("Board") and the officers and staff of the Acree Community Development District ("District") are constantly presented with the necessity for making decisions regarding various phases of District policy and management; and

WHEREAS, it is absolutely essential to the effective operation of the District that such decisions be made in an environment where the threat of personal liability for the Board and its officers and staff is maintained at a minimum; and

WHEREAS, the Board wishes to formalize a policy with regard to the support and legal protection of the Board and its officers and staff so as to reduce the threat of personal liability to such individuals and allow for an effective decision-making environment.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE ACREE COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. As set forth in this Resolution, the District, in accordance with Florida law, agrees that the following Board members, officers and staff (together, "Indemnitees") of the District shall be provided the benefit of the indemnification, support and legal defense provisions provided in this Resolution:

- A. All members of the Board of Supervisors; and
- **B.** Secretary and Assistant Secretaries, Treasurer and Assistant Treasurers, and other District officers, as well as District Staff (e.g., the District Manager, the District Engineer, and the District Counsel).

SECTION 2. As set forth in this Resolution and in accordance with Sections 111.07 and 768.28, *Florida Statutes*, the District hereby agrees to provide legal representation to defend any and all civil actions, including federal civil rights and other federal civil claims, arising from a complaint for damages or injuries suffered as a result of any action or omission of action of all Indemnitees, present or former, arising out of and in the scope of his or her employment or function, unless, in the case of a tort action, the Indemnitee acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. Defense of such civil actions includes, but is not limited to, any civil rights lawsuit seeking relief personally against any Indemnitee for an act or omission under color of state law,

custom or usage, wherein it is alleged that such Indemnitee has deprived another person of rights secured under the Federal Constitution or laws, including, by way of example, actions under 42 U.S.C. § 1983 or other federal statute. The District hereby further agrees to provide legal representation to defend against any other litigation arising against an Indemnitee from the performance of their official duties while serving a public purpose, including civil, administrative or criminal actions as permitted by law. By these provisions, the District does not waive any immunity from liability or limited waiver of such immunity as granted under Florida law. Rather, the District is stating that to the extent the State does not through its laws protect the Board and its officers from liability, the District is committed to doing so to the extent described in this Resolution and as permitted by law.

SECTION 3. The District may insure itself in order to cover all reasonable costs and fees directly arising out of or in connection with any legal claim or suit that directly results from a decision or act made by an Indemnitee while performing the duties and functions of his or her position.

SECTION 4. This Resolution is intended to evidence the District's support of Indemnitees who perform acts and render decisions in the good faith performance of their duties and functions. The District will neither support nor defend those actions or omissions committed by an individual outside the scope of his or her office or committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. By adoption of this Resolution, the Indemnitee(s) in question are each presumed to have acted within the scope of his or her office and are presumed to be acting in good faith, without a malicious purpose and not in a manner exhibiting wanton and willful disregard of human rights, safety or property. The District's Board of Supervisors may overcome this presumption only by unanimous vote of those participating and voting, in accordance with Section 7 herein.

SECTION 5. In the event that the District has expended funds to provide an attorney to defend a Indemnitee who is found to be personally liable by virtue of actions outside the scope of his or her employment or function, or is found to have acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property, the individual shall be required to reimburse the District for funds so expended. The District may recover such funds in a civil action against such individual.

SECTION 6. The District agrees to pay any final judgment, including damages, fines, penalties or other damages, costs, and attorney's fees and costs, arising from any complaint for damages or injuries suffered as a result of any action or omission of action of any Indemnitee as described in Section 111.07, *Florida Statutes*. If the action arises under Section 768.28, *Florida Statutes*, as a tort claim, the limitations and provisions of that section governing payment shall apply. If the action is a civil rights action arising under 42 U.S.C. § 1983, or similar federal statutes, payment for the full amount of judgment may be made unless the individual has been determined in the final judgment to have caused the harm intentionally. The District agrees to pay any compromise or settlement of any claim or litigation described in this paragraph,

provided, however, that the District determines such compromise or settlement to be in the District's best interest.

SECTION 7. To rebut the presumption of the automatic payment of judgments or provision of legal representation pursuant to this Resolution, at least one of the following determinations shall be made by a unanimous decision of the District's Board of Supervisors participating and voting:

- **A.** The actions of the Indemnitee were outside the scope of his or her duties and authority; or
- **B.** The acts or omissions of the Indemnitee constituted bad faith, malicious purpose, intentional infliction of harm or were done in a manner exhibiting wanton and willful disregard of human rights, safety or property; or
- **C.** The Indemnitee received financial profit or advantage to which he or she was not legally entitled.

SECTION 8. To ensure the provision of legal representation pursuant to this Resolution, the following must be met:

- **A.** A copy of the summons, complaint, notice, demand letter or other document or pleading in the action, or a letter setting forth the substance of any claim or complaint, must be delivered to the District Chairman, Vice Chairman, District Manager or District Counsel within fourteen (14) calendar days after actual receipt of any such document together with a specific request in writing that the District defend or provide representation for the Indemnitee; and
- **B.** The Indemnitee must cooperate continuously and fully with the District in the defense of the action.

SECTION 9. Any indemnification, legal defense or other protection provided pursuant to this representation shall not extend to:

- **A.** Consulting or other outside professional or business activities for which the Indemnitee received financial or other material compensation, which are outside the scope of his or her District duties and authority; and
- **B.** Any independent contractor for whom defense or indemnification is not authorized pursuant to Section 1(b) of this Resolution, unless the Board votes to authorize such indemnification, legal defense, or other protection; and

- **C.** Any fine, penalty or other punishment imposed as a result of conviction for a criminal offense, and any legal fees and costs incurred to defend criminal prosecution in which a conviction is obtained; and
- D. Claims brought against the Indemnitee by the District's Board of Supervisors; and
- E. Any indemnification or defense prohibited by law.

SECTION 10. In the event legal representation or defense is provided pursuant to this Resolution, the Indemnitee may either:

- **A.** Retain legal counsel appointed by the District, in which case legal counsel shall be paid directly by the District; or
- **B.** Retain legal counsel chosen by the Indemnitee, in which case the District shall have the right to:
 - i. Approve, in advance, any agreement for legal fees or disbursements; and
 - **ii.** Pay all or part of the legal fees, costs and other disbursements and to set a maximum for legal fees, costs and other disbursements; and
 - **iii.** Direct the defense and settle or compromise the action or claim; and
 - iv. Reduce or offset any monies that may be payable by the District by any court costs or attorney's fees awarded to the Indemnitee.

SECTION 11. The benefits of the policy adopted in this Resolution shall not enlarge the rights that would have been available to any third-party plaintiff or claimant in the absence of this policy.

SECTION 12. To the extent permitted by law, this policy shall inure to the benefit of the heirs, personal representatives and estate of the Board member and/or officer.

SECTION 13. The District reserves the right to change, modify or withdraw this Resolution in its sole discretion, except as to actions, demand or other claims based on acts or omissions that occurred before the effective change, modification or withdrawal of this Resolution.

SECTION 14. This Resolution shall be effective as of its adoption on the date listed below and shall apply to any acts or omissions occurring after that date.

A. An initial Public Comment Period shall be provided at the start of each Board meeting before consideration of any propositions by the Board. In the event there are propositions that come before the Board that are not listed on the agenda, the Presiding Officer shall announce a Public Comment Period on such proposition prior to the Board voting on the matter.

B. Speakers shall be permitted to address any agenda item during the initial Public Comment Period. Speakers shall be permitted to address any non-agenda matters of personal or general concern during the Public Comment Period provided after the conclusion of the District's business items.

ACREE COMMUNITY DEVELOPMENT DISTRICT POLICY FOR REIMBURSEMENT OF DISTRICT TRAVEL EXPENSES

1.0 GENERAL PROVISIONS.

- **1.1** The usual, ordinary, and incidental travel expenditures necessarily incurred by the District board members, employees, consultants, or advisors in the performance of their official duties shall be reimbursed by the Acree Community Development District (the "District").
- **1.2** Except as otherwise provided, prior authorization for travel is not required, but reimbursable expenses will be limited to those expenses incurred in the performance of official duties undertaken in connection with such public purposes as the District has been authorized by law to perform.
- **1.3** All claims submitted for reimbursement must be accompanied by a written statement that they are true and correct as to every material matter.

2.0 TRANSPORTATION.

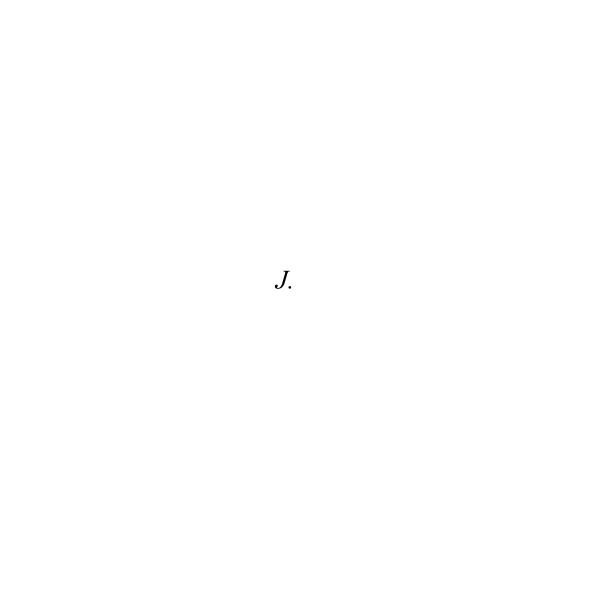

- **2.1** All travel must be by a reasonably direct or usually traveled route. In the event a person travels by an indirect route for his/her own convenience, any additional cost shall be borne by the traveler and reimbursement for expenses shall be based on the usually traveled route.
- **2.2** Commercial travel shall be by the most economical method, tourist or coach class. First class rates will be paid only in the event that a statement is attached to the claim certifying that tourist or coach seating was unavailable.
- **2.3** When available without penalty for cancellation, travelers should take advantage of discount fares.
- **2.4** Transportation by common carrier when traveling on official business and paid for by the traveler shall be substantiated by a receipt.
- **2.5** Rental car expenses shall be substantiated by a copy of the rental agreement.

a. If an Agent must approve the payment request before it is submitted to the District Manager, payment (whether full or partial) is due twenty-five (25) business days after the payment request is Date Stamped. The Provider may send the District an overdue notice. If the payment request is not rejected within four (4) business days after Date Stamp of the overdue notice, the payment request shall be deemed accepted, except for any portion of the payment request that is fraudulent, misleading or is the subject of dispute.

The agreement between the District and the Provider shall identify the Agent to which the Provider shall submit its payment request, or shall be provided by the District through a separate written notice no later than ten (10) days after contract award or notice to proceed, whichever is later. Provider's submission of a payment request to the Agent shall be Date Stamped, which shall commence the time periods for payment or rejection of a payment request or invoice as provided in this section.

If the District disputes a portion of a payment request, the undisputed portion shall be paid in a timely manner and in accordance with the due dates for payment as specified in this section.

VII. Resolution of Disputes

If a dispute arises between a Provider and the District concerning payment of an invoice or payment request, the dispute shall be resolved as set forth in §218.735, Fla. Stat., for Construction Services, and §218.76, Fla. Stat. for Non-Construction Goods and Services.

A. Dispute between the District and a Provider

If a dispute between the District and a Provider cannot be resolved following resubmission of a payment request by the Provider, the dispute must be resolved in accordance with the dispute resolution procedure prescribed in the construction contract, if any. In the absence of a prescribed procedure in the contract, the dispute must be resolved by the procedures specified below.

B. Dispute Resolution Procedures

1. If an Improper Payment Request or Improper Invoice is submitted, and the Provider refuses or fails to submit a revised payment request or invoice as contemplated by the PPA and these Policies and Procedures, the Provider shall, not later than thirty (30) days after the date on which the last payment request or invoice was Date Stamped, submit a written statement via certified mail to the Agent, copying the District Manager, specifying the basis upon which the Provider contends the last submitted payment request or invoice was proper.

- 2. Within forty-five (45) days of receipt by the Agent and District Manager of the disputed, last-submitted payment request or invoice, the Agent and/or District Manager shall commence investigation of the dispute and render a final decision on the matter no later than sixty (60) days after the date on which the last-submitted payment request or invoice is Date Stamped.
- 3. If the District does not commence the dispute resolution procedure within the time provided herein, a Provider may give written notice via certified mail to the Agent, copying the District Manager, of the District's failure to timely commence its dispute resolution procedure. If the District fails to commence the dispute resolution procedure within 4 business days after receipt of such notice, any amounts resolved in the Provider's favor shall bear mandatory interest, as set forth in section <u>218.735</u>(9), Florida Statutes, from the date on which the payment request or invoice containing the disputed amounts was Date Stamped. If the dispute resolution procedure is not commenced within 4 business days after receipt of the notice, the objection to the payment request or invoice shall be deemed waived. The waiver of an objection pursuant to this paragraph does not relieve a Provider of its contractual obligations.
- 4. Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider.
- 5. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars (\$10,000).
- 6. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.
- 7. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract

with third parties to provide the goods and services subject to the dispute and deduct the costs of such third party purchases from amounts owed to the Provider. If the costs of the third party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

VIII. Purchases Involving Federal Funds or Bond Funds

When the District intends to pay for a purchase with federal funds or bond funds, the District shall make such purchases only upon reasonable assurances that federal funds or bond funds sufficient to cover the cost will be received. When payment is contingent upon the receipt of bond funds, federal funds or federal approval, the public procurement documents and any agreement with a Provider shall clearly state such contingency. (§218.77, Fla. Stat.).

IX. Requirements for Construction Services Contracts – Project Completion; Retainage

The District intends to follow the PPA requirements for construction project completion and retainage, including, but not limited to, §218.735 (7) and (8), Fla. Stat.

X. Late Payment Interest Charges

Failure on the part of the District to make timely payments may result in District responsibility for late payment interest charges. No agreement between the District and a Provider may prohibit the collection of late payment interest charges allowable under the PPA as mandatory interest. (§218.75, Fla. Stat.).

A. Related to Non-Construction Goods and Services

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§218.735(9), Fla. Stat.).

An overdue period of less than one (1) month is considered as one (1) month in computing interest. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

B. Related to Construction Services

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74 (4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

C. **Report of Interest**

If the total amount of interest paid during the preceding fiscal year exceeds \$250, the District Manager is required to submit a report to the Board during December of each year, stating the number of interest payments made and the total amount of such payments. (§218.78, Fla. Stat.).

KUTAKROCK

MEMORANDUM

TO: District Manager

RE: Section 448.095, *Florida Statutes* / E-Verify Requirements

The Florida Legislature enacted Section 448.095, *Florida Statutes*, which, generally speaking, requires that all employers verify employment eligibility using the United States Department of Homeland Security's "E-Verify" system. Specifically, Section 448.095(2)(a) provides:

"Beginning January 1, 2021, every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor may not enter into a contract unless each party to the contract registers with and uses the E-Verify system."

Section 448.095(1), F.S., defines "public employer" to be any "regional, county, <u>local</u>, or municipal government . . . that employs persons who perform labor or services for that employer in exchange for salary, wages, or other remuneration <u>or</u> that enters or attempts to enter into a contract with a contractor." Because all CDDs and stewardship districts (together, "Special Districts") enter into contracts with contractors (and many Special Districts have employees), all Special Districts are subject to the new E-Verify requirements.

As a District Manager, there are two steps that need to be taken:

- Enroll your Special Districts on the E-Verify system, at: <u>https://www.e-verify.gov/</u>. An E-Verify enrollment checklist is available at <u>https://www.e-verify.gov/employers/enrolling-in-e-verify/enrollment-checklist</u>. In order to enroll, all Special Districts must enter into a memorandum of understanding ("MOU") which must be executed by the chairperson of each board. Under the MOU, the responsibilities of the Special Districts include provision of contact information, display of notices to prospective employees, completion of an E-Verify tutorial, familiarization with the E-Verify User Manual, and other obligations.
- 2. Include the following contract provision in Special District contracts:

E-VERIFY REQUIREMENTS

The Contractor shall comply with and perform all applicable provisions of Section 448.095, *Florida Statutes*. Accordingly, beginning January 1, 2021, to the extent required by Florida Statute, Contractor shall register with and use the United States Department of Homeland Security's E-Verify system to verify the work authorization status of all newly hired employees. The District may terminate this Agreement immediately for cause if there is a good faith belief that the Contractor has knowingly violated Section 448.091, Florida Statutes.

If the Contractor anticipates entering into agreements with a subcontractor for the Work, Contractor will not enter into the subcontractor agreement without first receiving an affidavit from the subcontractor regarding compliance with Section 448.095, *Florida Statutes*, and stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Contractor shall maintain a copy of such affidavit for the duration of the agreement and provide a copy to the District upon request.

In the event that the District has a good faith belief that a subcontractor has knowingly violated Section 448.095, *Florida Statutes*, but the Contractor has otherwise complied with its obligations hereunder, the District shall promptly notify the Contractor. The Contractor agrees to immediately terminate the agreement with the subcontractor upon notice from the District. Further, absent such notification from the District, the Contractor or any subcontractor who has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09(1), Florida Statutes, shall promptly terminate its agreement with such person or entity.

By entering into this Agreement, the Contractor represents that no public employer has terminated a contract with the Contractor under Section 448.095(2)(c), *Florida Statutes*, within the year immediately preceding the date of this Agreement.
